7. WAGES AND MONETARY BENEFITS

7.1. Wages.

Wages for unit positions shall be as shown in Appendix B.

7.1.1. Fiscal Year 2020-2021.

As a result of the novel Coronavirus pandemic (COVID-19) and corresponding uncertainty surrounding the County's fiscal position for Fiscal Year 2020-2021, the association and County agree to suspend implementation of any cost of living adjustment (COLA) and merit advancement until at least December 2, 2020 to allow the County's Comptroller to assess the financial impact of COVID-19 on the Humboldt County economy and specifically the revenues flowing into the County. This will allow the association and County to understand the impact of the economic shutdown for the months of March through September 2020. The association and County agree to reopen negotiations on Monday, December 2, 2020 or as soon as possible thereafter based on schedule availability.

7.1.2. Merit Advancement and Cost of Living Adjustment Consideration.

As part of the discussion during the reopened negotiation on December 2, 2020, the association and County will consider all the following possible remedies for the COLA and merit advancement solutions:

1. If revenues are greater than 25% below the Fiscal Year budgeted 2019-2020 levels, the county will continue to suspend COLA and MERIT increases through the term of the agreement (June 30, 2021). In addition, if the shortfall is projected to be 30% or more, the association and County will discuss other more serious actions included in Article 20 (LAYOFF PROCEDURE).
2. If revenues are between 16% and 25% of Fiscal Year budgeted 2019-2020 levels, the County will retroactively pay merit advancement to all eligible employees of this unit that had anniversary

dates between July 1, 2020 and December 2, 2020; and resume awarding merit advancements for eligible employees whose anniversary date is between December 3, 2020 and June 30, 2021.

3. If revenues are less than 16% of Fiscal Year budgeted 2019-2020 levels, the county will retroactively implement COLA increases beginning with July 1, 2020 and retroactively pay merit advancements to eligible employees that had anniversary dates between July 1, 2020 and December 2, 2020; and implement all merits for employees whose anniversary date is between December 3, 2020 and June 30, 2021.

7.1.3. Merit Pay

Merit pay will be at the 2.5% step rate.

7.2. Public Employees Retirement System

7.2.1. Employee Participation

All employees covered by this agreement shall participate in the Public Employees Retirement System (PERS) of the State of Nevada in accordance with the rules of that system as set forth in NRS Chapter 286.

7.2.2. County Contribution

The County agrees to contribute for each employee covered by this agreement the NRS mandated rate to PERS for the term of this Agreement.

7.2.3. Nevada Legislature Mandated Increases

Increases in the PERS contribution rate which are mandated by the Nevada Legislature shall be paid for by the party or parties designated in such action. If the Nevada Legislature is silent with respect to who is responsible to pay contribution increases, subsection 7.2.4. shall apply.

7.2.4. Nevada Legislature Undesignated Contribution Increases

If the Nevada Legislature does not designate whether the employee or the County is to pay for the increase in contributions to PERS, the County shall pay the increased contribution. Payment of the employee's portion of the contribution increase shall be made by an equivalent reduction in pay or, if such an increase coincides with a scheduled increase, by reducing the equivalent of a scheduled basic salary increase or cost of living increase, or both. Should an increase be more than a total of one and one-half percent (1.5%), the parties agree to meet and confer regarding the impact of the increase upon the wage adjustments provided in this agreement.

7.2.5. Nevada Legislature Undesignated Decreased Contribution Rates

If the Nevada Legislature does not designate the distribution of decreased rates, if any, decreases in the contribution rate shall be equally shared and shall be credited by increasing the pay schedule by the amount equal to ½ the prescribed reduction.

7.3. Longevity

7.3.1. Longevity Steps.

Each person who has served in step ten (10) of his/her assigned range for at least one (1) year shall be eligible to receive a one (1) percent step increase through Range L10 of the attached wage chart for standard or above performance on each successive anniversary date.

7.3.2. Longevity Bonus.

Employees covered by this agreement are eligible for longevity bonuses as follows:

- A. *20 Years.* On the first pay period after completing 20 years of continuous County service, employees shall be paid a \$1,000.00 one-time payment in recognition of that service.
- B. *25 Years.* On the first pay period after completing 25 years of continuous County service, employees shall be paid a \$1,500.00 one-time payment in recognition of that service.
- C. *30 Years.* On the first pay period after completing 30 years of continuous County service, employees shall be paid a \$2,000.00 one-time payment in recognition of that service.

7.4. Pay Days

The County will continue the current bi-weekly pay period system. Payroll periods end at midnight every other Sunday. Paydays will be the Friday following the end of the payroll period. Should a payday fall on a holiday, paydays will be the day preceding the holiday.

7.5. Annual Merit Review

7.5.1. Merit Steps

Employees who achieve “meets standard” in their overall annual performance ratings will be eligible for advancement to the next higher step of the range or longevity steps.

7.5.2. Eligibility

Employees who are members of the uniformed services are entitled to military leave and to re-employment rights as provided in 38 USC, sections 2021-2024, and 4302 et.seq. and the relevant sections of the Nevada Revised Statutes. The uniformed services covered include the Army, Navy, Marines, Air Force, Coast Guard, Public Health Service Commissioner Corps, the reserve components of these services, and any other category dispatched by the President in time of war or national emergency. The Army National Guard and Air National Guard are also covered.

12.3.2. *Notice and Notification*

- b. Humboldt County may require written (orders) or verbal notice of service obligation, but must waive the requirement if notice is impossible or unreasonable.

12.3.3. *Salary and Benefits*

12.3.3.1. *Leave Without Pay*

- a. Humboldt County will treat the employee the same as any other employee on leave without pay.

There is no impact to the employee's insurance coverage, including life insurance that is included in the health insurance package. Humboldt County and employee premium payments or obligations, if any, remain unchanged for 30 days. Employee may then continue coverage similar to that required by the Consolidated Omnibus Budget Reconciliation Act (COBRA) for either 24 months or through the day after the date on which the employee fails to apply for reemployment in a timely manner; whichever is less (see Reemployment, Section 12.3.4. below). Humboldt County must reinstate coverage upon the employee's prompt reemployment without the imposition of exclusions or waiting periods. An employee who takes up to 90 days after leaving the military before commencing his/her reemployment may stay on the military health insurance; however, it is the employee's responsibility to verify the continuation, scope, and duration of coverage.

12.3.3.3. Seniority

An employee is entitled to the seniority (and rights and benefits governed by seniority) s/he had accrued at the commencement of military leave, plus any additional seniority rights and benefits that s/he would have attained if s/he had remained continuously employed (the "escalator principle"). However, if an introductory period is a bona fide period of observation and evaluation, the returning employee must complete the remaining period of introduction upon reemployment. Humboldt County must count time served for the purpose of determining annual and sick leave accrual rates, if the accrual amount is based on seniority. Additionally, Humboldt County must count time in the military when determining the employee's rate of pay if the rate is based on seniority (e.g., a grade-and-step pay system). Humboldt County is not required to accumulate annual or sick leave for an employee during his/her absence. The "escalator principle" will be applied to a returning employee's opportunities to take promotional examinations or skills tests and to merit pay increases.

12.3.3.4. Retirement

Time served will be counted as work time for purposes of retirement. Humboldt County must make contribution payments to the retirement plan as if the employee had not left, provided the employee returns to work. Humboldt County contribution will be based on the rate of pay the employee would have been paid had s/he not been called to military service (e.g., a grade-and-step pay system). An exception to this requirement is when the higher pay is based on additional knowledge, skill, or ability that can only be gained by work experience.

12.3.3.5. Death or Disability

If an employee does not return to work due to death or disability, the survivor or disability benefit is treated as if the employee had been working until the date of the death or disability. Humboldt County must make the retirement contribution up to the date of the death or disability.

12.3.3.6. Other Leave

Humboldt County must count time served in the military when calculating the employee's Family Medical Leave Act eligibility.

12.3.4. Reemployment

1. An employee has certain report-to-work obligations following military service. Eligible returning service members must be promptly reemployed, which in most cases means within two weeks of reporting. The employee's report-to-work obligations are:
 - a. Service of one to 30 days: The beginning of the next regularly-scheduled work period on the first full day following completion of service, and expiration of an eight-hour rest period following safe transportation home.
 - b. Service of 31 to 180 days: Application for reinstatement must be submitted not later than 14 days after completion of military duty.
 - c. Service of 181 or more days: Application for reinstatement must be submitted not later than 90 days after completion of military duty.
2. The deadline for reinstatement may be extended for up to two years for persons who are convalescing due to a disability incurred or aggravated during military service, and Humboldt County must make reasonable accommodations for the impairment.
3. Reemployment rights apply to veterans whose cumulative period of uniformed service does not exceed five years while employed by the same Humboldt County. Time spent in National Guard and reservist training does not count towards the five-year period.

12.4. *Military Leave Under Nevada Statute*

12.4.1. *Policy*

Public officers and/or employees who are active members of the United States Army Reserve, United States Naval Reserve, United States Marine Corps Reserve, United States Coast Guard Reserve, United States Air Force Reserve, or the Nevada National Guard are entitled to leave to serve under orders including, without limitation, orders for training or deployment, as provided in NRS 281.145.

12.4.2. *Procedure*

- a. Upon employee's or public officer's request, Humboldt County must relieve employee or public officer of duties with pay to serve under orders for training or deployment for a period of not more than the number of hours equivalent to 15 working days in a 12 month period.
- b. Humboldt County is not required to pay the public officer's or employee's salary after 15-working days (or hours equivalent).
 1. Public officer's or employee's accrued vacation time may not be deducted during the leave. If public officer or employee requests additional time beyond 21 working days, public officer or employee may choose to use annual leave and compensatory time, if any, before going on leave without pay. The employer will treat the public officer or employee the same as any other employee on leave without pay.
 2. The 12-month period designated by Humboldt County in number 1 above is a calendar year.

12.4.3. *Additional Paid Military Leave*

In addition to the 15 working days of compensation for leave of absence for military duty as covered under NRS 281.145, the County will also provide and additional six (6) days of paid military leave without loss of the employee's regular compensation or accrued eligible leave. The additional days of paid military leave will adhere to the same use cycle as the mandated 15 working days of compensation for leave of absence for military duty.

12.5. *Military Leave Bank*

12.5.1. *Definition.*

Leave time that full-time employees who are members of the military reserves or Nevada National Guard may choose to bank for use during active military duty in order to remain in full pay status. The source of this leave time is annual leave hours above the carryover maximum, floating holiday, or sick leave hours accrued in excess of 480 hours.

12.5.2. *Eligibility.*

A full-time employee who is a member of the organized reserve forces of any of the armed services of the United States or of the Nevada National Guard may carry forward all accrued annual leave hours in excess of 240 hours, floating holiday, or any sick leave hours accrued in excess of 480 hours to be retained as Military Bank leave. When the yearly carry-over adjustments to annual leave are made at the end of the pay period which includes December 31st of each year, the amount of leave in excess of the allowable carry-over amount shall be added to the eligible employee's Military Leave Bank if that employee has submitted a request to the County Manager during the conversion request window. Hours over the normal carryover limits retained as Military Bank leave may be used only during active military duty and only after exhausting other available paid military leave. Military Bank leave may not be paid out or credited in any other form to the employee. It is either used during active military duty or it lapses upon termination or retirement.

12.5.3. *Payment on Death.*

If an employee dies during active military duty, the employee's heirs of such deceased employee shall be paid an amount of money equal to the number of unused Military Bank leave hours donated to the employee's personal Military Leave Bank, multiplied by the hourly rate of such deceased employee.

12.5.4. *Conversion Request Window.*

To convert qualifying leave hours under this provision, employees must submit a written request to the County Manager within the ninety (90) day window for conversion requests. The conversion request window will open on September 1st and close on December 1st. For requests for conversion to be eligible for conversion, all written requests must be received by the County Manager on or before December 1st, requests received after December 1st will not be considered timely and eligible for conversion under this provision.

12.5.5. *Using Military Bank Leave.*

An eligible full-time employee whose excess annual leave has been retained as Military Bank leave may apply any such banked leave at the beginning of active military duty after exhausting other available paid military leave. Employees beginning active military duty should indicate their request to use Military Bank leave, and other accrued leave, on their Military Leave Worksheet form prescribed by the County. Military Bank leave may be applied to the period of absence due to active military duty in the same way that other accrued leave is applied. Regular payroll deductions will continue. An employee on active military duty may choose to retain all or part of his or her Military Bank leave. The balance will remain available for use only during future periods of active military duty.

12.5.6. *Compensatory Leave.*

At the employee's option, all or part of compensatory leave balances held at the beginning of active military duty may be:

1. Applied to the period of absence due to military service;
2. Paid as allowed at the time of placement on leave without pay; and/or
3. Retained until reinstatement from military leave without pay. Retained compensatory leave will be available for use in accordance with the agreement.

12.5.7. *Leave Sharing.*

An employee who has more than 200 hours of annual leave accrued may donate annual leave to an employee or employees who are on military leave pursuant to the following restrictions;

1. The employee receiving the annual leave must have exhausted all of his/her available paid military leave and leave qualified for Military Bank use.
2. The employee giving the leave must do so in writing and in blocks of eight (8) hours and shall not exceed 80 hours in any fiscal year. The sick leave being given shall be indicated on a form provided by the County.
3. The granting of annual leave must be irrevocable.
4. If a donation is made by an employee at a different pay rate than the receiving employee, pursuant to NRS 245.210.4, the donated time shall be converted into money at the hourly rate of the donor and the money shall then be converted into annual leave at the hourly rate of salary of the recipient.
5. The total hours donated to an employee shall not exceed the number of hours necessary to avoid a loss in pay between the time the employee exhausts his/her paid leave.
6. Retiring and Voluntarily Separating employees may donate unpaid annual leave hours to the general military leave bank so long as the donation does not cause the bank to exceed 2000 hours.

12.6. *Leave of Absence Without Pay*

Any unit employee, upon written application to his/her department head or his/her designee, may be granted leave of absence without pay, subject to approval as stated below. Such leave shall not exceed one (1) year.

12.6.1. *Approval – Less Than 30 Days*

Leaves of absence without pay not exceeding 30 days may be granted by the department head.

12.6.2. *Approval – More Than 30 Days*

For leaves of absence without pay in excess of thirty (30) days, the employee must obtain the approval of the County Manager. Humboldt County may grant a leave in excess of thirty (30) days following written certification by the employee to Humboldt County that the leave is consistent with the intent of this section. Humboldt County reserves the right to not require the use of all accrued paid leave credits, depending upon the nature and type of leave without pay taken by the employee.

12.7. *Family and Medical Leave Act Compliance*

12.7.1. *Policy*

Public entities are covered under the Family and Medical Leave Act (FMLA) will comply with the requirements of the FMLA and advise employees if they meet all the FMLA eligibility requirements. Humboldt County must provide employees Form WHD-1420 Employee Rights and Responsibilities Under the Family and Medical Leave Act and are also required to post and keep posted this notice in a conspicuous place that can readily be seen by employees and applicants alike, even if no employees are eligible.

(Note: Entities that have less than 50 employees are not required to provide FMLA leave to their employees as employees will not be independently eligible as listed in 12.7.2. Entities that want to extend this benefit to employees are encouraged to do so by revising their sick leave policies rather than offering FMLA.)

12.7.2. *Eligibility*

Employees who have been employed by Humboldt County for a total of 12 months and worked for Humboldt County at least 1,250 hours during the preceding 12-month period and are employed at a work site where 50 or more employees work for Humboldt County within 75 surface miles of that work site are eligible for FMLA leave. When the 1,250 hours are calculated, the hours an employee was on vacation or on leave, even if that vacation or leave was paid, do not count toward the 1,250 hours worked. However, an employee who has a military service obligation must be credited with the hours of service that would have been performed, but for the period of military service. The required 12 months of employment does not have to be consecutive. There may be a break in service as long as it does not exceed seven years. There is an exception to the seven-year condition for USERRA-covered military service or written agreements. All employees meeting the above qualifications qualify for FMLA, regardless of their seasonal, temporary, etc., status.

12.7.3. *Compensation During Leave*

FMLA leave will be unpaid leave unless the employee has accrued paid leave and is otherwise eligible to use the leave. If an employee requests leave for the employee's own serious health condition, for the serious health condition of the employee's spouse, child, or parent, to provide military caregiver leave, or exigency leave, the employee **must** use all of his/her accrued paid annual leave, sick leave (if it qualifies under employers sick leave use requirements), compensatory time leave, and personal time off as part of the FMLA leave. When substituting accrued paid leave, the employee must comply with the Humboldt County procedural requirements, terms, and conditions of the paid leave policy as appropriate; the remainder of the leave period will then consist of unpaid FMLA leave. Employees must be made aware that they are required to use sick, annual, compensatory time and personal leave as appropriate, in the rights and responsibilities notice Form WH-381: Notice of Eligibility and Rights & Responsibilities.

12.7.4. *Intermittent or Reduced Schedule Leave*

When medically necessary (as distinguished from voluntary treatments and procedures) or for any qualifying exigency, leave may be taken on an intermittent or reduced schedule basis. Leave for bonding with a healthy newborn or placement of a healthy child for adoption or foster care is not considered medically necessary and, therefore, may not be taken on a reduced schedule or intermittent basis unless agreed to by Humboldt County. Employees needing intermittent leave or reduced schedule leave must make a reasonable effort to schedule their leave so as not to disrupt unduly Humboldt County's operations. If leave is foreseeable, Humboldt County may require an employee on intermittent leave or

reduced schedule leave to temporarily transfer to an available alternative position for which the employee is qualified if the position has equivalent pay and benefits and better accommodates the employee's intermittent or reduced schedule leave. Intermittent leave and reduced schedule leave reduces the 12-week entitlement only by the actual time used. When an employee, who was transferred, no longer needs intermittent or reduced scheduled leave, the employee must be placed in the same or equivalent position held prior to when the leave commenced.

12.7.5. Duration of and Reasons for Leave

12.7.5.1. Duration of Leave

Any eligible employee, as defined above, may be granted a total of 12 weeks of unpaid FMLA leave (which can run concurrent with paid leave) during a 12-month period (see exception for Military Caregiver Leave as provided in section 12.7.5.3 below). This period is measured backward from the date an employee uses any FMLA leave. A "week" is defined as a calendar week, regardless of the number of days the employee normally works. Twelve weeks does not entitle a part-time employee working three days a week to 60 leave days, but rather 12 weeks.

12.7.5.2. Reasons for Leave

FMLA may be granted for the following reasons:

- The birth of the employee's child and in order to care for the newborn child;
- The placement of a child with the employee for adoption or foster care;
- To care for the employee's spouse, child, or parent who has a serious health condition;
- An employee's own serious health condition that prevents the employee from performing one or more of the essential functions of his/her job. Serious health conditions may include conditions resulting from job-related injuries and/or illnesses; or
- Due to a qualifying exigency arising when an employee's spouse, son, daughter, or parent is a military member on covered active duty or has been notified of an impending call to covered active duty.

12.7.5.3. Conditions for Leave

a. Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition of incapacity or treatment that involves:

- Inpatient care (overnight stay) in a hospital, hospice, or residential medical care facility.
 - Continuing treatment by (or under the supervision of) a health care provider for a period of incapacity of more than three consecutive full calendar days, combined with at least two visits to a health care provider within 30 days of the first day of incapacity or one visit to a health care provider requiring a regimen of continuing treatment, e.g., prescription medication.
- b. Exigency Leave Short-term notice deployment (deployment in seven or less calendar days)
- Military events and activities
 - Childcare and school activities
 - Family support or assistance programs
 - Financial and legal arrangements
 - Counseling
 - Service member's rest and recuperation leave (limited to 15 calendar days for each instance)

- Post-deployment activities
 - Parental leave for the spouse, son, daughter, or parent of a military member to care for the military member's parent who is incapable of self-care. The leave may be used for arranging for alternate care, providing care, admitting or transferring the patient to a care facility, or attending a meeting with care facility staff.
 - Additional activities arising out of active duty that Humboldt County and employee agree upon.
- c. Covered Active Duty:
- In the case of a member of a regular component of the Armed Forces; duty during the deployment of the member with the Armed Forces to a foreign country.
 - In the case of a member of a reserve component of the Armed Forces, duty during the deployment of the member with the Armed Forces to a foreign country under a call or order to active duty in support of a contingency operation.

12.7.6. *Limitations of Leave*

The entitlement to FMLA leave for the birth or placement of a child for adoption or foster care will expire 12 months from the date of the birth or placement. If both an employee and his/her spouse are employed by Humboldt County, their combined time off may not exceed 12 weeks during any 12-month period for the birth, adoption, or foster care of a child, or care of a parent with a serious health condition. Each spouse is, however, eligible for the full 12 weeks within a 12-month period to care for a son, daughter, or spouse with a serious health condition.

Employees may not take more than a combined total of 12 weeks for all FMLA qualifying reasons listed above in Section 12.7.5.2.

12.8. *Military Caregiver Leave*

12.8.1. *Policy*

An eligible employee, as defined in 12.7.2. above, may be granted a total of 26 weeks of unpaid FMLA leave (which can run concurrent with paid leave) during a 12-month period to provide caregiver leave for a seriously ill or injured covered service member or veteran who is the employee's spouse, son, daughter, parent, or next of kin. This period is always measured forward from the date an employee takes FMLA leave to care for the covered service member or veteran and ends 12 months after that date.

Employees cannot take more than a combined total of 26 weeks for military caregiver leave or because of other FMLA qualifying reasons as provided in 6.4.2. above. A husband and wife both working for the same Humboldt County are limited to a combined total of -26 weeks of FMLA military caregiver leave.

12.8.2. *Eligibility*

The Covered Service member under the Military Caregiver leave must be:

- a. A current member of the Armed Forces (including a member of the National Guard or Reserves) who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status; or is otherwise on the temporary disability retired list, for a serious illness or injury that;
 - Was incurred by the covered service member in the line of duty on active duty in the Armed Forces, or

- Existed before the beginning of the member's active duty and was aggravated by service in the line of duty on active duty in the Armed Forces, and
 - May render the member medically unfit to perform the duties of the member's office, grade, rank, or rating.
- b. A covered veteran is an individual who was a member of the Armed Forces (including a member of the National Guard or Reserves), and was discharged or released under conditions other than dishonorable at any time during the five-year period* prior to the first date the eligible employee takes FMLA leave to care for the covered veteran who is undergoing medical treatment, recuperation or therapy for a serious injury or illness that was incurred by the member in the line of duty on active duty in the Armed Forces (or existed before the beginning of the member's active duty and was aggravated by service in the line of duty on active duty in the Armed Forces) and manifested itself before or after the member became a veteran, and is;
- A continuation of a serious injury or illness that was incurred or aggravated when the covered veteran was a member of the Armed forces and rendered the service member unable to perform the duties of the service member's office, grade, rank, or rating; or
 - A physical or mental condition for which the covered veteran has received a U.S. Department of Veteran Affairs Service-Related Disability Rating (VASRD) of 50 percent or greater, and such VASRD rating is based, in whole or in part, on the condition precipitating the need for military caregiver leave; or
 - A physical or mental condition that substantially impairs the covered veteran's ability to secure or follow a substantially gainful occupation by reason of a disability or disabilities related to military service, or would do so absent treatment; or
 - An injury, including a psychological injury, on the basis of which the covered veteran has been enrolled in the Department of Veteran Affairs Program of Comprehensive Assistance for Family Caregivers.

*The period between 10-28-09 and 3-8-13 is excluded in the determination of the five-year period.

12.8.3. *Limitations of Leave*

Employees cannot take more than a combined total of 26 weeks for military caregiver leave or because of other FLMA qualifying reasons as provided in 12.7.5. A husband and wife both working for the same employer are limited to a combined total of 26 weeks of FMLA military caregiver leave.

12.8.4. *Notice of Leave*

An employee intending to take FMLA leave because of an expected birth or placement or child for adoption or foster care, a planned medical treatment or medical care, or qualifying exigency, shall provide notice for such leave at least 30 days before the leave is to begin. If a requested leave will begin in less than 30 days, the employee must give notice to his/her immediate supervisor as soon as the necessity for the leave is known. Reasonable advance notice is required for all leaves, even if the event necessitating the leave is not foreseeable. If an employee gives less than 30 days' notice, Humboldt County may require an explanation.

Within five business days (absent extenuating circumstances) of receiving notice that 1) an employee requests to use FMLA leave, or 2) Humboldt County acquires knowledge that a leave may be for a FMLA-qualifying reason, Humboldt County will complete Form WH-381 Notice of Eligibility and

Rights and Responsibilities. Completion of this form will designate if an employee is eligible for FMLA or if an employee is not eligible, the reason(s) why he or she is not eligible. The form will designate if the employee is required to obtain certification related to medical conditions and/or required family relationships. Humboldt County may require the use of FMLA leave for any absence which would otherwise qualify as FMLA leave, even if no formal application for such leave was made by the employee, provided notice is given to the employee. Employees cannot waive nor may Humboldt County induce employees to waive their rights under FMLA.

12.8.5. *Certification of Leave*

12.8.5.1. *Certification Forms*

- a. Serious health condition
 - A request for leave based on the serious health condition of the employee or the employee's spouse, child, or parent must be supported by completion of Form WH-380-E – Certification of Health Care Provider for Employee's Serious Health Condition or Form WH-380-F-Certification of Health Care Provider for Family Member's Serious Health Condition completed by the health care provider. (Note: Attach the employee's current job description to Form 380-E when it is sent to the employee's health care provider.)
- b. Exigency leave
 - Employees requesting FMLA leave for qualifying exigency are required to complete Form WH-384 Certification of Qualifying Exigency for Military Family Leave and provide copy of the military member's active duty orders or other documentation issued by the military which indicates that the military member is on covered active duty or call to covered active duty status.
- c. Caregiver leave
 - Employees requesting FMLA leave for military caregiver leave are required to complete Form WH-385 Certification of Serious Injury or Illness of Covered Service member for Military Family Leave or WH-385 V Certification for Serious Injury or Illness of a Veteran for Military Caregiver Leave within 15-calendar days, absent extenuating circumstances. Employees may also submit invitational travel orders (ITO's) or invitational travel authorizations (ITAs) issued to any family member to join an injured or ill service member at his/her bedside in lieu of forms WH-385 or WH-385-V.

12.8.6. *Incomplete or Insufficient Certification (cure period)*

If a certification is incomplete or insufficient, the employee will be given seven calendar days (unless not practicable under the particular circumstances despite the employee's diligent good faith efforts) to cure any such deficiency. If the deficiencies specified by Humboldt County are not cured in the resubmitted certification, Humboldt County may deny the taking of FMLA leave. A certification that is not returned to Humboldt County is no considered incomplete or insufficient, but constitutes a failure to provide certification.

12.8.7. *Clarification or Authentication of certification*

Humboldt County may contact the employee's health care provider for the purpose of clarification or authentication after giving the employee an opportunity to clarify specific discrepancies. Only Humboldt County (agency to specify individual who is another health care provider, human resource professional,

leave administrator, or management official, other than the employee's direct supervisor), may contact the health care provider.

12.8.8. *Second and Third opinions*

If Humboldt County questions the validity of the certification, Humboldt County may require, at its expense, the employee obtain a second opinion from a health care provider designated by Humboldt County. If the second opinion conflicts with the original opinion, Humboldt County may require, at its expense, that the employee obtain the opinion of a third health care provider designated or approved jointly by Humboldt County and the employee. This third opinion will be considered final and binding on both parties.

Second and third opinions are not permitted for leave to care for a covered service member when the certification has been completed by a Department of Defense or Department of Veterans Affairs health care provider. However, second and third opinions are permitted when the certification has been completed by other health care providers as provided for by law.

Second and third opinions are not allowed on a fitness for duty certification.

12.8.9. *Recertification*

In instances where the minimum duration of leave anticipated by the original certification is more than 30 days, Humboldt County may require the employee to recertify that the original medical condition still exists. Such requests can be made no more frequently than the minimum duration of the leave requested (e.g., 40 days) or once every six months in connection with an absence.

In situations in which the minimum duration of leave anticipated by the original certification is less than 30 days, Humboldt County may request recertification if the employee requests an extension of leave, the circumstances described by the original certification have changed significantly, or Humboldt County receives information casting doubt upon the continuing validity of the certification.

Recertifications are not permitted for leave to care for a covered service member.

12.8.10. *Annual Medical Certification*

Humboldt County may require the employee to provide new medical certification, not recertification, for his/her first FMLA-related absence in a new 12-month leave year.

12.9. *Designation Notice*

Within five business days (absent extenuating circumstances) of receipt of all required information, Humboldt County will make a determination if employee's request for leave is for an FMLA-qualifying reason. Humboldt County will complete Form WH-382 -Designation Notice indicating if leave is approved or not and provide to employee.

If Humboldt County cannot make a determination from the information provided, they will use this form to:

- Indicate the information presented is incomplete or insufficient and provide the employee seven calendar days to provide complete information.
- Provide notice to an employee if a second or third medical certification is required.

Humboldt County may also use this form to designate a fitness-for-duty certificate which will be required prior to returning to work.

12.9.1. Benefits Coverage During Leave

During a period of FMLA leave, an employee will be retained on Humboldt County's health plan under the same conditions that would apply if the employee was not on FMLA leave. To continue health coverage, the employee must continue to make any contributions that s/he would otherwise be required to make. Failure of the employee to pay his/her share of the health insurance premium may result in loss of coverage.

If the employee fails to return to work after the expiration of the FMLA leave, the employee may be required to reimburse Humboldt County for payment of health insurance premiums during the leave, unless the reason the employee cannot return is due to circumstances beyond the employee's control. The definition of "beyond the employee's control" includes a large variety of situations such as: the employee being subject to layoff, continuation, recurrence, or the onset of an FMLA-qualifying event; or the employee's spouse's unexpected worksite relocation of more than 75 surface miles from the current worksite.

An employee is not entitled to the accrual of any seniority or employment benefits during any unpaid leave. An employee who takes FMLA leave will not lose any seniority or employment benefits that accrued before the date the leave began and will be entitled to any unconditional pay increase, such as cost of living increase granted to all employees during the FMLA leave period.

12.9.2. Outside Employment

An employee may not accept other employment during an FMLA absence if the job conflicts with the reason the employee is on FMLA leave; e.g., an employee is on FLMA leave due to a back injury and accepts a job requiring heavy lifting. All other requirements of Humboldt County's outside employment policy apply.

12.9.3. Periodic Reporting

Any employee on FMLA leave must notify Humboldt County periodically of his/her status and intention to return to work. Humboldt County has the authority to determine how often the employee must provide this notification.

12.9.4. Change in Duration of Leave

1. Return Prior to Expiration

If an employee wishes to return to work prior to the expiration of the approved FMLA leave period, s/he must notify the supervisor within two business days prior to the employee's planned return. Employees may be required to provide a fitness-for-duty certification (if indicated on the designation notice) specifically addressing the employee's ability to perform the essential functions of his/her job, prior to returning to work if the FMLA leave of absence was due to the employee's own serious health condition. Employees required to present a fitness-for-duty certification may be delayed in restoration to employment until certification is provided. Second and third opinions are not allowed on a fitness-for-duty certification.

2. Request an Extension of Leave

An employee who requests an extension of FMLA leave due to the continuation of a qualifying exigency, care for service member, continuation, recurrence, or onset of his/her own serious health condition, or of the serious health condition of the employee's spouse, child, or parent, must submit a request for an extension, in writing, to Humboldt County. This written request should be made as soon as employee realized that s/he will not be able to return at the expiration of the leave period. Any additional time requested beyond the FMLA 12-week period (or 26-week period for caregiver leave) will not be considered as FMLA. Rather, such time, if approved by Humboldt County, will be characterized as either paid or unpaid leave, thereby ending Humboldt County's reinstatement obligations included in Section 12.7.2.

12.9.5. *Return from Leave*

Upon returning to work, an employee on FMLA leave will be restored to his/her most recent position or to a position with equivalent pay, benefits, and other terms and conditions of employment. Humboldt County cannot guarantee that an employee will be returned to his/her original job. Humboldt County will determine whether a position is an "equivalent position" as defined by FMLA. Employee's right to restoration, however, ceases at the end of the applicable 12-month FMLA leave year.

Employees may be required to provide a fitness-for-duty certification (if indicated on the designation notice) specifically addressing the employee's ability to perform the essential functions of his/her job, prior to returning to work if the FMLA leave of absence was due to the employee's own serious health condition. Employees required to present a fitness-for-duty certification may be delayed in restoration to employment until certification is provided. Second and third opinions are not allowed on a fitness for duty certification.

Key employees may be denied job restoration if such denial is necessary to prevent substantial and grievous economic injury to the operations of Humboldt County and the employee was given written notice they were considered a key employee at the time they gave notice of FMLA leave or when the leave commenced.

12.9.6. *Failure to Return from Leave*

Failure of an employee to return to work upon the expiration of an FMLA leave of absence will subject the employee to disciplinary action, up to and including termination, unless Humboldt County has granted an additional (paid or unpaid) extension. (Note: Refer to Humboldt County's other leave policies.) Nothing in this policy limits Humboldt County's obligations of reasonable accommodation under the Americans with Disabilities Act, as amended.

13. HOLIDAYS

13.1. *Holidays Enumerated*

The following days are declared to be legal holidays for County government offices:

New Year's Day	Nevada Day
Martin Luther King's Birthday	Veterans Day
President's Day	Thanksgiving Day
Memorial Day	Day after Thanksgiving Day

Independence Day
Labor Day

Christmas Day

In addition to the above holidays, any other day that may be appointed by the President of the United States as a National Holiday, the Governor of Nevada and/or the Board of County Commissioners of Humboldt County shall be a paid holiday for County employees.

13.2. *Observance of Legal Holidays*

All County offices close on the above listed legal holidays. If January 1, July 4, November 11, or December 25 falls on a Saturday, the Friday before is observed as the legal holiday. If any of such days falls on a Sunday, the Monday after is observed as the legal holiday. Holidays are recognized as eight (8) hours in length, regardless of work schedule. For employees on schedules providing 24-hour coverage, a holiday shall be recognized as the actual legal holiday, not the day observed by persons working a five-day, forty-hour work week on a Monday through Friday schedule.

13.3. *Floating Holiday*

In addition to the holidays listed above, employees who have completed one (1) full year of County employment will receive one (1) eight (8) hour floating holiday per calendar year. Such holiday must be used within the calendar year or it will be lost. An employee must schedule the use of the floating holiday with their immediate supervisor in the same manner as annual leave and receive approval prior to its usage.

13.3.1. *Payment of Floating Holiday upon Voluntary Termination of Employment*

Upon voluntary termination from County employment, a maximum of eight (8) hours of unused floating holiday time will be paid off at the employee's regular rate of pay.

13.4. *Holiday Pay*

Holiday pay shall be equal to the straight time pay normally received for the employee's regular shift assignment but shall not exceed eight (8) hours per holiday.

13.5. *Holidays Not Worked*

Eligible employees who are not required to work on a recognized holiday shall receive holiday pay for the shift they normally would have worked.

13.8. *Holiday Pay for Part-Time Employees*

Regular part-time employees shall receive holiday pay on a pro-rated basis when they would be normally scheduled and available to work on the holiday in question. When a holiday falls on a part-time employee's regularly scheduled day off, the employee is not eligible for holiday pay.

14. HOURS

14.1. *Work Hours*

Except in emergencies, the standard work week of full-time unit employees shall normally consist of five (5) days of eight (8) hours each, exclusive of lunch period.

14.1.1. *Alternative Work Schedules*

The County may, at its discretion, adopt alternative work schedules for employees at any work site or for any work unit. The County will give the employees and the organization five days notice of a change to alternative work schedule. The parties specifically acknowledge that employee schedules may be changed periodically during the year. Requests for schedule changes from employees shall be considered and a response provided. It is not the intent of this language to change the general scheduling practices of the County.

14.1.2. *Starting and Ending Times*

Each employee shall be assigned regular starting and ending times, which shall not be changed without reasonable prior notice; however, Fairgrounds and Convention Center employees are assigned a variable work schedule based upon facilities usage.

14.1.3. *Time Reporting*

Employees are responsible for submitting accurate time cards or sheets accounting for time worked and leaves used. Should it be necessary to change an employee's time report, the employee shall be notified of such change.

14.2. *Rest Periods*

Except in emergencies, employees shall be granted a fifteen (15) minute rest period during each half-work shift of four (4) hours or longer. Such breaks shall not be taken within one (1) hour of the employee's starting time, ending time, or meal break and shall not be accumulated or used to supplement meal breaks, arrive at work late or leave work early. Such rest periods shall be taken without loss of pay and the employee shall not be required to make up such time.

14.3. *Hours for Sheriff's Dispatchers and Central Control Operators*

14.4. *Dispatcher and Central Control Operators Shift Preferences*

Two weeks prior to the posting of a new schedule of shift assignments, Dispatchers and Central Control Operators may request shift assignment based on seniority. All shifts will be open to bid on by seniority. The Sheriff will consider the preferences of staff along with the needs of the Sheriff's Office and the qualifications of individual employees when preparing the new schedule. If a Dispatcher or Central Control Operator is assigned to the same shift for a third or successive shift change, the employee may request that the Sheriff provide reasons for the shift assignment. The Sheriff will respond prior to the implementation of the next shift schedule.

15. OVERTIME COMPENSATION

15.1. *Definitions*

15.1.1. *Overtime*

That time as authorized and directed by management worked by a non-exempt employee which exceeds forty (40) hours worked in a work week or eighty (80) hours in two (2) weeks if the employee is on an alternative work schedule requiring twelve (12) hour shifts. The Department shall designate a work period for FLSA purposes as necessary.

15.1.2. *Hours Worked*

Those hours during which the employee is actually working, on annual leave, or paid holiday.

15.2. *Overtime Pay*

An employee shall be paid for overtime worked. Pay for overtime worked shall be at one and one half (1-1/2) times the normal hourly rate of the employee.

15.3. *Compliance with the Fair Labor Standards Act*

Management shall make such changes in this article and any others as well as in practice in order to fully comply with the Fair Labor Standards Act (FLSA) and any implementing regulations thereto. The County shall notify the Association of proposed changes prior to implementation. Upon written request, the County shall meet with Association representatives to negotiate the proposed changes; however, nothing shall preclude the County from implementing changes to achieve compliance during the negotiating period.

15.4. *Travel Time for Training*

Employees who travel to a required training course during work hours shall have those hours counted as time worked. Within a workweek, a department head may adjust the starting and quitting times of an employee on a straight time basis to accommodate any hours accumulated during travel on County business. If this is not possible, the additional hours will be treated as hours worked.

15.5. *Accrual of Compensatory Time*

Dispatch and Central Control employees may, upon approval of the Sheriff, accrue compensatory time off (CTO) in-lieu of pay for overtime worked. All compensatory time off shall be accrued at the rate of one and one half (1 ½) hour of CTO for each hour of overtime worked. No employee may accumulate more than forty (40) hours of compensatory time. When forty (40) hours is reached, the employee must use some of the accumulated time before accumulating any additional compensatory time.

15.6. *Cash Out of Accrued Compensatory Time Off*

With thirty (30) days' notice prior to the month of June and December of each year, an employee may submit a request to the Department that the cash value or all or part of accumulated CTO be paid to the employee. With thirty (30) days' notice prior to June, the County may, at its discretion, pay off all but thirty (30) days of an employee's CTO bank.

15.7. *Cash Out of Compensatory Time Off upon Promotion*

If an employee is selected for promotion, he or she must cash out any accrued CTO prior to the start of his or her first shift in the promotional status/position.

16. MILEAGE AND PER DIEM REIMBURSEMENT

16.1. *Mileage*

Humboldt County will attempt to make a vehicle available for official use to employees when so required. If there are no Humboldt County vehicles available and the employee must use a personal vehicle, mileage will be reimbursed at the per mile rate set by the IRS. If an employee drives a personal vehicle when commercial air travel would be more efficient, the mileage reimbursement will be limited to the cost of the airfare.

If a county vehicle is available and an employee chooses to use a private vehicle the employee shall be reimbursed at ½ of the mileage rate set by the IRS.

16.2. *Per Diem Payments*

The County will continue to make per diem payments to employees required to travel on County business at the rates established by the Nevada Legislature or County policy, whichever is higher. 17.1. *Reporting Requirements*

A Road Department employee assigned a County vehicle will be required to report to his/her area (Golconda, Paradise Valley, Orovada, Denio, and Winnemucca) at the beginning of the workday and at the end of the workday. The crew or other employees not assigned a County vehicle shall report to the Winnemucca shop at the beginning and end of the workday. However, should an employee be assigned to another area they will be furnished a vehicle and will be required to report to the assigned worksite/location at the beginning of the shift and remain working as directed until the end of the shift. Except in case of emergency, every effort will be made to give 24-hour notice of change in the work area.

17.2. *Exceptions*

Occasional changes in location for starting or ending the shift for such activities including, but not limited to, attending meetings, picking up or dropping off materials/equipment at the shop, will not result in a work site change provided that the activities are within the normal shift schedule. For example, should an employee be assigned to report to the yard to begin the workday with a safety meeting and the employee then returns to his/her normal work site for the remainder of the shift, his/her return to Winnemucca at the end of the workday is not considered time worked.

17.3. *Camping Assignments*

When the County requires camping for a special project, the affected employee(s) will be paid per diem for non-provided services (e.g., housing, food, etc.) pursuant to 16.2 of this Agreement. All travel at the beginning and end of a camp week will be on County time.

18. COURT LEAVE

18.1. *Policy*

Humboldt County will grant court leave to allow employees to serve as juror or a witness in a court proceeding provided that neither employee nor the employee's collective bargaining representative is a party to the action. Employees shall provide their supervisors with relevant documents verifying the need for court leave as soon as the need becomes known.

18.2. *Compensation*

Subject to the following conditions, eligible employees shall receive their regular base rate of pay for those hours spent in court and traveling to and from court when such time occurs during employee's regular scheduled work days and hours of work. Casual, seasonal or temporary employees will be granted time off without pay. Law enforcement personnel appearing in court as part of their duties are not affected by this policy.

- a. The employee's regular rate of pay shall be limited to compensation for court and travel time which occurs during the employee's regularly scheduled hours of work. Court leave will not result in payment of overtime or be considered as hours worked for purposes of determining eligibility for overtime, unless the court leave is related to the employee's job responsibilities.
- b. Upon completion of jury/court/witness service for which the employee received his/her regular pay, the employee will immediately forward any compensation received from the court or other party to Humboldt County upon receipt. Reimbursements received for out-of-pocket expenses such as meals, mileage, and lodging may be kept by employees, unless Humboldt County has reimbursed the employee for such expenses or such expenses were paid by Humboldt County.
- c. An employee shall not receive pay for the work time missed if s/he is required to miss work because of court appearances in a matter to which the employee is a party or to serve as a witness for a party who has filed an action against Humboldt County. However, the employee may choose to use his/her annual leave.

18.3. *Late Start/Early Release*

- a. An employee who is serving as a witness and is not required to report to court until after the start of their work day or who is released from court before the end of his/her scheduled work day shall report to work for the hours which are not required for court duty or for related travel time.
- b. Employees who are required to report to jury duty will not be required to work eight hours prior to reporting. If the employee's service last four hours or more, including time going and returning from court the employee will not be required to work between 5 p.m. of the day of jury duty and 3 a.m. the following day per NRS 6.190.

19.3.8. *Advancing to Arbitration*

For the purposes of this section the parties shall be considered as either: the County and the Employees Association or, if a grievant is not represented by the Association, the County and the grievant(s). The Association agrees to indemnify and hold the County harmless from any claims, awards and/or judgments resulting from the failure of the Association or any of its principals in meeting and/or satisfying any costs assigned by a responsible third party authority under the terms, rights and obligations of this Article 21.

determination shall be based on consideration of performance, qualifications and seniority within the job class within the affected department.

23.2. *Order of Layoff*

Initially the County shall consider employees for layoff using the criteria of performance, qualifications and seniority within the job class and department. When selecting which employee will be laid off, the County will review the qualifications of the employees in the affected job class. If the County finds:

If the committee cannot reach agreement regarding the County's decision regarding order of layoff, it shall within three (3) days of its initial meeting, request the participation of a federal or other mutually acceptable mediator. The services of the mediator will be jointly requested by the County and the Association on an urgent basis. The mediator will seek to achieve a consensus decision among the committee members. In the event of any work-stoppage and the Association promptly and in good faith performs the obligations of this paragraph, and providing the Association had not otherwise authorized, permitted or encouraged such work-stoppage, the Association shall not be liable for any damages caused by the violation of this provision. However, the County shall have the right to discipline, to include discharge, any employee who instigates, participates in, or gives leadership to, any work-stoppage activity herein prohibited, and the County shall have the right to seek full legal redress, including damages, as against any such employee.

25. FULL UNDERSTANDING, MODIFICATION AND WAIVER

25.1. *Full Understanding*

It is intended that this Agreement sets forth the full and entire understanding of the parties regarding the matters set forth herein and all other topics subject to bargaining, and therefore any other prior or existing understanding or agreement by the parties, whether formal or informal, written or unwritten, regarding such matters are hereby superseded or terminated in their entirety.

25.2. *No Interim Bargaining*

It is agreed and understood that during the negotiations which culminated in this Agreement each party enjoyed and exercised without restraint, except as provided by law, the right and opportunity to make demands and proposals or counter-proposals with respect to any matter subject to bargaining and that the understandings and agreements arrived at after the exercise of that right are set forth in this Agreement. The parties agree, therefore, that the other shall not be required to negotiate with respect to any subject or matter, whether referred to or not in this Agreement.

25.3. *Modification*

Any agreement, alteration, understanding, waiver or modification of any of the terms or provisions contained in this Agreement shall not be binding on the parties unless made and signed in writing by all of the parties to this Agreement, and if required, approved and implemented by the department head and/or the Board of County Commissioners.

25.4. *Waiver*

The waiver of any breach, term or condition of this Agreement by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

26. SAVINGS

If any provisions of this Agreement are held to be contrary to law by a court of competent jurisdiction, such provision will not be deemed valid and subsisting except to the extent permitted by law, but all other provisions will continue in full force and effect.

27. TERM OF AGREEMENT

The County and the Association agree that the term of the Agreement shall commence on July 1, 2020 and expire at midnight on June 30, 2021. The County may reopen this agreement to renegotiate during its term to address a “fiscal emergency” in accordance with the requirements of NRS 288.150(4). Unless otherwise noted herein, any changes caused by the approval of this agreement shall be prospective.

Appendix B – Consanguinity/Affinity Chart

State of Nevada Commission on Ethics

Consanguinity/Affinity Chart
(Degrees of family relationship by blood/marriage)

INSTRUCTION:

For Consanguinity (relationship by blood) calculations:

Place the public officer/employee for whom you need to establish relationships by consanguinity in the blank box. The labeled boxes will then list the relationship by title to the public officer/employee and the degree of distance from the public officer/employee.

Anyone in a box numbered 1, 2, or 3 is within the third degree of consanguinity.

For Affinity (relationship by adoption, marriage or domestic partnership) calculations:

Place the spouse or domestic partner of the public officer/employee for whom you need to establish relationships by affinity in the blank box. The labeled boxes will then list the relationship by title to the spouse or domestic partner and the degree of distance from the public officer/employee by affinity.

Spouses are related in the first degree of affinity by marriage and domestic partners are related in the first degree of affinity by domestic partnership. For adoption and other relationships by marriage or domestic partnership, the degree of relationship is the same as the degree of underlying relationship by blood.
