ARTICLE 5 EMPLOYER RIGHTS

Employer retains, solely and exclusively, all the rights, powers and authority exercised or held prior to the execution of this Agreement, except as expressly limited by a specific provision of this Agreement. Without limiting the generality of the foregoing, the rights, powers, and authority retained solely and exclusively by Employer and not abridged herein, include, but are not limited to the following: To manage and direct its business and personnel; to manage, control, and determine the mission of its departments, buildings, facilities, and operations; to assign, repair, inspect, and retrieve Employer property and space; to create, change, combine or abolish jobs, policies, departments and facilities in whole or in part; to subcontract or discontinue work for economic or operational reasons; to direct the work force; to increase or decrease the work force and determine the number of employees needed; upon reasonable suspicion of impaired ability on the job, to require employee physical examinations and tests endorsed by a physician and paid for by the Employer; to hire, transfer, promote, and maintain the discipline and efficiency of its employees; to establish work standards, schedules of operation and reasonable work load; to specify or assign work requirements and require overtime; to schedule working hours and shifts; to adopt rules of conduct (including acceptable dress standards) and penalties for violation thereof; to determine the type and scope of work to be performed by employees and the services to be provided; to take action deemed necessary to provide for the safety of employees and clients; to classify positions; to establish initial salaries of new classifications after notification of the Association; to determine the methods, processes, means, and places of providing services and to take whatever action necessary to prepare for and operate in an emergency.

ARTICLE 6 PROBATIONARY PERIOD

- 6.2 *Review During Probationary Period.* An employee's performance shall normally be reviewed no later than five (5) months after initial hire and at eleven (11) months after hire. During the twelfth (12th) month of service, the employee's supervisor shall make a written recommendation for retention of the employee beyond the probationary period. If no such recommendation is received by the appointing authority prior to the end of the employee's probationary period, the employee shall be released from County service.
- 6.3 *Probationary Period Upon Promotion.* All employees promoted to a position of higher responsibility shall serve a probationary period of twelve (12) complete months within the new position.

ARTICLE 7 WAGES AND MONETARY BENEFITS

- 7.1 *Wages.* Wages for unit positions are effective as follows:
- 7.1.1 As a result of the novel Coronavirus pandemic (COVID-19) and corresponding uncertainty surrounding the County's fiscal position for Fiscal Year 2020-2021, the association and County agree to suspend implementation of any cost of living adjustment (COLA) and merit advancement until at least December 2, 2020 to allow the County's Comptroller to assess the financial impact of COVID-19 on the Humboldt County economy and specifically the revenues flowing into the County. This will allow the association and County to understand the impact of the economic shutdown for the months of March through September 2020. The association and County agree to reopen negotiations on Monday, December 2, 2020 or as soon as possible thereafter based on schedule availability. As part of the discussion during the reopened negotiation on December 2, 2020, the association and County will consider all the following possible remedies for the COLA and merit advancement solutions:
- A. If revenues are greater than 25% below the Fiscal Year budgeted 2019-2020 levels, the county will continue to suspend COLA and MERIT increases through the term of the agreement (June 30, 2021). In addition, if the shortfall is projected to be 30% or more, the association and County will discuss other more serious actions included in Article 20 (LAYOFF PROCEDURE).
 - B. If revenues are between 16% and 25% of Fiscal Year budgeted 2019-2020 levels, the County will retroactively pay merit advancement to all eligible employees of this unit that had anniversary dates between July 1, 2020 and December 2, 2020; and resume awarding merit advancements for eligible employees whose anniversary date is between December 3, 2020 and June 30, 2021.
 - C. If revenues are below 16% or less than Fiscal Year budgeted 2019-2020 levels, the county will retroactively implement COLA increases beginning with July 1, 2020 and retroactively pay merit advancements to eligible employees that had anniversary dates between July 1, 2020 and December 2, 2020; and implement all merits for employees whose anniversary date is between December 3, 2020 and June 30, 2021.

All percentages are approximate and will be conformed to an annual, monthly and hourly salary schedule.

7.2 *Public Employees Retirement System*

7.2.1 All employees covered by this agreement shall participate in the Public Employees Retirement System (PERS) of the State of Nevada in accordance with the rules of that system as set forth in NRS Chapter 286.

7.2.2 The County agrees to contribute for each employee covered by this agreement the rate paid as of July 1, 2011, to PERS for the term of this Agreement.

7.2.3 Increases in the PERS contribution rate which are mandated by the Nevada Legislature shall be paid for by the party or parties designated in such action. If the Nevada Legislature is silent with respect to who is responsible to pay contribution increases, subsection 7.2.4 shall apply. However, for FY 2020, beginning July 1, 2019 and concluding on June 30, 2020, if the Nevada Legislature increases the amount of the PERS contribution rate for law enforcement employees, the County will pay the full amount of the contribution increase designated by the Legislature in accordance with NRS Chapter 286.

7.2.4 If the Nevada Legislature does not designate whether the employee or the County is to pay for the increase in contributions to PERS, the County shall pay the increased contribution. Payment of the employee's portion of the contribution increase shall be made by an equivalent reduction in pay or, if such an increase coincides with a scheduled increase, by reducing the equivalent of a scheduled basic salary increase or cost of living increase, or both. Should an increase be more than a total of one and one-half percent (1.5%), the parties agree to meet and confer regarding the impact of the increase upon the wage adjustments provided in this agreement.

7.2.5 If the Nevada Legislature does not designate the distribution of decreased rates, if any, decreases in the contribution rate shall be equally shared and shall be credited by increasing the pay schedule by the amount equal to 1/2 the prescribed reduction.

7.3 *Longevity Pay.* Sworn employees covered by this agreement are eligible for longevity pay as follows:

When approved, the increase shall be effective on the first of the pay period following the employee's merit review date. The content of a performance appraisal and any decisions based upon such content may be appealed only through the grievance procedure to the County Manager level. The decision of the County Manager shall be final and binding.

- 7.4.2 *Merit Review Date.* An employee's merit review date is the first day of the pay period following the date of hire, except that those employees hired on the first day of the pay period shall have their date of hire as their merit review date. If an employee is promoted to a new position which results in a salary increase of five percent (5%) or more, then a new merit review date will be established for that employee on the same basis as shown above for new employees. If an employee accepts a position or is demoted to a position that results in a salary decrease of five percent (5%) or more, a new merit review date will be established on the same basis as shown above for new employees. The advancement of an employee from a new hire "trainee" status to regular employee shall not be considered a promotion and will not establish a new merit review date. - 10.6 *Annual Leave Conflicts.* Conflicts between annual leave requests submitted in accordance with this section shall be resolved by Sheriff's Office seniority in favor of the more senior employee.
- 10.7 *Carry-over of Annual Leave to Following Year.* All annual leave in excess of the applicable maximum carryover hours will be forfeited at the end of the pay period which includes December 31st of each year.
- 10.7.1 *Extension for Granting Annual Leave - Annual Leave Buy Back.* Should an employee submit a request for annual leave no less than ninety (90) days prior to December 31, requesting annual leave in an amount that would avoid a forfeiture of annual leave, and the request is denied by the Sheriff's Office for operational and/or staffing reasons, employees shall be granted an extension of ninety (90) days during which they must request and take the annual leave. If the Sheriff's Office is unable to grant the request for all or part of the requested annual leave during the ninety (90) day extension, the County agrees to pay the employee at their regular rate of pay for those hours which would otherwise be forfeited by the employee.
- 10.7.2 *Extension for Granting Annual Leave - Forfeiture of Annual Leave.* Should an employee submit a request for annual leave less than ninety (90) days prior to December 31 in an amount that would avoid forfeiture of annual leave and the request is denied by the Sheriff's Office for operational and/or staffing reasons, the employee will be granted an extension of ninety (90) days during which they must request and take the annual leave. An employee granted an extension pursuant to this paragraph who does not reduce his/her maximum carryover during the extension to an amount below that allowed, will forfeit any unused annual leave exceeding the maximum carryover amount.
- 10.8 *Payment on Separation.* Employees who have completed at least six (6) months of continuous service and leave the County service shall be paid for accrued, but unused annual leave.
- 10.9 *Payment on Death.* If an employee dies who was entitled to accumulated annual leave under the provisions of this Article, the heirs of such deceased employee shall be paid an amount of money equal to the number of unused hours of annual leave earned or accrued, multiplied by the hourly rate of such deceased employee.
- 10.10 *Part-Time Employees.* A regular part-time employee is defined as an employee working on a regular schedule less than forty (40) hours per week. Regular part-time employees accumulate or earn length of service credit for annual leave purposes based on actual number of years of continuous and uninterrupted service, whether such service is entirely part-time or mixed part-time and full-time during any year or portion of a year. For purposes of this section, a regular part-time employee beginning service on May 1 of a year is considered to have one year of service beginning May 1 of the next succeeding year, two years of service beginning May 1 of the next succeeding year, etc., even though the employee only works on a part-time basis and accrues the benefits on a pro-rated basis.

10.11 *Interrupted Service.* Any individual with five (5) consecutive years of employment with the County who terminates and then is re-employed by the County within one (1) year from date of termination shall receive credit for prior years service in determining the appropriate category for annual leave benefits. Notwithstanding the foregoing, such an individual is subject to the probationary status requirements.

ARTICLE 11 SICK LEAVE

11.1 *Attendance.* The parties agree that attendance at work on a regular and reliable basis is a job requirement. The County expects that each employee will be available for work consistently on this basis. Attendance and sick leave use are to be monitored on this basis.

11.2 *Entitlement.* All unit employees who are employed on a continuous full-time basis shall be credited with sick leave according to the schedule below. Part-time employees who work at least twenty (20) hours per week shall earn sick leave credits on a prorated basis, based on hours worked in the pay period. Employees working fewer than twenty (20) hours per week will not accrue sick leave credits.

11.3 *Sick Leave Accrual.* Eligible employees shall accrue sick leave at the rate of .0577 hours for each hour worked up to a maximum accrual of one hundred twenty (120) hours per year. Only regular hours worked shall effect sick leave accrual. Maximum accrual shall not exceed 980 hours.

11.4 *Authorization for Usage.* Employees are entitled to use sick leave only when incapacitated due to sickness, injury or when receiving necessary medical, dental, or vision treatment, or in the event of an illness in the immediate family. A doctor's certificate of illness may be required at any time, but must be presented to the Sheriff for any absence over five (5) working days.

11.4.1 *Immediate Family Defined.* Immediate family is defined as parents, children, brothers, sisters and grandparents of the employee, the employee's spouse, or relative living in the employee's household. In the case of any other relative of the employee, the Sheriff or Sheriff's designee may authorize such sick leave and shall so notify the County Manager in writing.

11.5 *Evidence of Authorized Usage.* The Sheriff or Sheriff's designee shall approve sick leave only after having ascertained that the absence was for an authorized reason, and the employee may be required to provide substantiating evidence at any time. Malingering or proven abuse of sick leave privileges shall be grounds for termination from County employment.

11.6 *Sick Leave Payoff.* Employee with accrued, unused sick leave may, at the time of separation, select one of the following options for reimbursement:

A. Employees with 10 or more years of continuous, uninterrupted service with the County, shall be paid fifteen dollars (\$15.00) per day for each day of unused sick leave on record in excess of three hundred sixty (360) hours and less than six hundred (600) hours and twenty-five percent (25%) of the top step of the salary range (excluding longevity) for each hour over six hundred (600) hours of unused sick leave on record on the date of termination or death.

B. Conversion to retirement credit upon separation:

In lieu of (A) above, an employee, with eight (8) or more years of continuous and uninterrupted service with the County and who is eligible to purchase retirement service credit under the Public Employees Retirement System (PERS) may convert a maximum of 980 hours of accrued, unused sick leave into service credit. (# of hours (980) x hourly rate=amount). Upon receipt of check, PERS will calculate service credit. Note: 1 hour of sick leave may not equal 1 hour of service credit.

11.6.1 Conversion to Retirement credit prior to retirement. An employee who is eligible to purchase retirement service credit under the Public Employees Retirement System (PERS) may convert accrued, unused sick leave into retirement credit prior to retirement under the following conditions only:

1. An employee must maintain a sick leave hour balance of at least 480 hours of accrued, unused sick leave.
2. An employee can only convert hours in excess of 480 (in increments of 8 hours)
3. Maximum hours allowed to convert is 480.
4. PERS will convert dollars into service credit. Note: 1 hour of sick leave may not equal 1 hour of service credit.
5. Purchases of service credit under this provision must comply with PERS policies and procedures.
6. To convert sick leave under this provision, employees must submit a written request to the County Manager within the ninety (90) day window for conversion requests. The conversion request window will open on September 1st and close on December 1st. For requests for conversion to be eligible for conversion, all written requests must be received by the County Manager on or before December 1st, requests received after December 1st will not be considered timely and eligible for conversion under this provision.
8. If the employee meets all the conditions set forth in this section, then the County will deduct the amount of sick leave hours which are designated on the employee's written request which is/are eligible for conversion from the employee's account and proceed to purchase retirement service credit from PERS.
9. May only convert sick leave to PERS service credit four (4) times prior to retirement.
10. Timely and eligible request for conversion will be processed by the County in accordance with PERS policies and procedures.

11.7 *Accrual of Leave While on Leave.* Sick leave will continue to be credited to all persons while regularly employed by the County regardless of whether an employee is on sick or annual leave. However, accrual of sick leave will cease upon termination or when an employee is placed on leave without pay.

11.8 *Leave Sharing.* An employee may donate accumulated annual leave, floating holidays or compensatory time off or sick leave to an employee in this bargaining unit who is on sick leave for a catastrophic illness pursuant to the following restriction:

11.8.1 The employee receiving the leave donation must have exhausted all of his/her available paid leave including all sick leave, annual leave, and compensatory time off.

11.8.2 The employee receiving the leave donation may not be on leave for an on-the-job injury covered by Workers' Compensation Insurance.

- 11.8.3 The employee giving the leave donation must do so in writing and in blocks of eight (8) hours each on a form provided by the County.
 - 11.8.4 If sick leave is used, a maximum of forty (40) hours/incident is allowed, and it requires the donor have a minimum of 200 hours in the donor's sick leave balance at the time of each donation.
 - 11.8.5 The granting of a leave donation must be irrevocable.
 - 11.8.6 If a donation is made by an employee at a different pay rate than the receiving employee, pursuant to N.R.S. 245.210.4, the donated time shall be converted into money at the hourly rate of the donor and the money shall then be converted into sick leave at the hourly rate of salary of the recipient.
- 11.9 *Family and Medical Leave Act Compliance.*
- 11.9.1 Family and medical leave for employees shall be governed by the provisions of the Federal Family and Medical Leave Act (FMLA), as may be amended from time to time. Nothing in this Article is intended to expand employee rights or benefits not extended in this law. Where there is a conflict between this Article and the FMLA, this FMLA governs.
 - 11.9.2 Employees who have been employed for at least one (1) year and worked at least 1,250 hours during the preceding 12-month period and are employed at a work site where 50 or more employees work for the County within 75 miles of that work site are eligible for family and medical leave.
 - 11.9.3 Family or medical leave will be unpaid leave unless the employee has accrued paid leave and is otherwise eligible to use the leave for the purpose for which leave is being taken. If leave is requested for the employee's own serious health condition or for the serious health condition of the employee's spouse, child, or parent, the employee must use all of his/her sick leave as part of the FMLA leave. If leave is requested for any of the other reasons identified below, an employee must use all of his/her accrued paid annual and/or personal leave as part of the FMLA leave. The remainder of the leave period will then consist of unpaid FMLA leave. Unless otherwise agreed to, in writing in advance of the leave, employees are not permitted to work in an outside job during FMLA leaves of absence.
 - 11.9.4 Leave taken for serious health conditions may be taken on an intermittent basis (not all at one time) when medically necessary. The County may require an employee on intermittent leave to temporarily transfer to an available alternative position for which the employee is qualified if the position has equivalent pay and benefits and better accommodates recurring periods of leave than the employee's regular position. With an agreement between the employee and the County, an employee may take family leave on a reduced leave schedule. This may involve reducing the employee's usual number of hours per workday or workweek during the leave. Intermittent leave reduces the twelve-week entitlement only by the actual time used.
 - 11.9.5 Any eligible employee, as defined above, may be granted a total of twelve weeks of unpaid family and medical leave (the twelve-month period shall be measured from the first date leave is used) for the following reasons:
 1. The birth of the employee's child and in order to care for the child;

2. The placement of a child with the employee for adoption or foster care;
 3. To care for a spouse, child, or parent who has a serious health condition; or
 4. A serious health condition that prevents the employee from performing the functions of his/her job. Serious health conditions may include conditions resulting from job-related injuries and/or illnesses.
- 11.9.6 Unpaid FMLA leave will run concurrently with paid sick, vacation and/or personal leave. Unpaid FMLA leave may also run concurrently with Workers' Compensation leave or other benefits. The entitlement to family and medical leave for the birth or placement of a child for adoption or foster care will expire twelve months from the date of the birth or placement. If both an employee and his/her spouse are employed by the County, their combined time off may not exceed twelve (12) workweeks during any twelve-month period for birth, adoption, or foster care, or care of a parent with a serious health condition. Each spouse is, however, eligible for the full twelve (12) weeks within a twelve-month period to care for a son, daughter, or spouse with a serious health condition.
- 11.9.7 In all cases, an employee requesting leave must complete the County's approved leave form and return it to the County Manager's Office. The completed application must state the reason for the leave, the expected duration of the leave, and the starting and ending dates of the leave. An employee intending to take family or medical leave because of an expected birth or placement, or because of a planned medical treatment, must submit an application for such leave at least thirty (30) days before the leave is to begin. If a requested leave will begin in less than thirty (30) days, the employee must give notice to his/her immediate supervisor as soon as the necessity for the leave is known. Reasonable advance notice is required for all leaves, even if the need for the leave is not foreseeable. The County will require the use of FMLA leave for any absence which would otherwise qualify as FMLA leave even if no formal application for such leave was made by the employee, provided notice is given to the employee.
- 11.9.8 An application for leave based on the serious health condition of the employee or the employee's spouse, child, or parent must be supported by a Humboldt County-approved "medical certification statement" completed by the applicable health care provider. The certification must state the date on which the health condition commenced, the probable duration of the condition, and the appropriate medical facts regarding the condition.
- 11.9.10 If the employee is needed to care for a spouse, child, or parent, the certification must so state, along with an estimate of the amount of time the employee will be needed. If the employee has a serious health condition, the certification must state that the employee cannot perform the functions of his/her job.
- 11.9.11 If the County questions the validity of the certification, it may require, at the County's expense, that the employee obtain a second opinion. If the second opinion conflicts with the original opinion, the County may require, at its expense, that the employee obtain the opinion of a third health care provider designated or approved jointly by the County and the employee. This third opinion will be considered final and binding on both parties. The County may

require that the employee obtain subsequent recertification on a reasonable basis. Any employee on a family leave must notify his/her supervisor periodically of his/her status and intention to return to work. The supervisor has the authority to determine how often the employee must provide this notification.

- 11.9.12 During a period of family or medical leave, an employee will be retained on the County's health plan under the same conditions that would apply if the employee were not on family or medical leave. To continue health coverage, the employee must continue to make any contributions that s/he would otherwise be required to make. Failure of the employee to pay his/her share of the health insurance premium may result in loss of coverage.
- 11.9.13 If the employee fails to return to work after the expiration of the family or medical leave, or does not return for 30 days or more, the employee will be required to reimburse the County for payment of health insurance premiums during the leave, unless the reason the employee fails to return is the presence of a serious health condition which prevents the employee from performing his/her job or due to circumstances beyond the employee's control.
- 11.9.14 An employee is not entitled to the accrual of any seniority or employment benefits during any unpaid portion of the leave. An employee who takes family or medical leave will not lose any seniority or employment benefits that accrued before the date the leave began.
- 11.9.15 An employee eligible for family or medical leave will be restored to his/her old position or to a position with equivalent pay, benefits, and other terms and conditions of employment. The County cannot guarantee that an employee will be returned to his/her original job. A determination as to whether a position is an "equivalent position" will be made by the County.
- 11.9.16 An employee must complete the County's notice of intent to return from FMLA leave before s/he can be returned to active status. If an employee wishes to return to work prior to the expiration of a family or medical leave of absence, reasonable notification not to exceed five (5) days must be given to the employee's supervisor prior to the employee's planned return. Employees may be required to obtain and provide a fitness-for-duty certification prior to returning to work if the family or medical leave of absence was due to the employee's own serious health condition that made the employee unable to perform the essential functions of his/her job.
- 11.9.17 Failure of an employee to return to work upon the expiration of a family or medical leave of absence will subject the employee to disciplinary action, up to and including termination, unless an extension is granted. An employee who requests an extension of family or medical leave due to the continuation, recurrence, or onset of his/her own serious health condition, or of the serious health condition of the employee's spouse, child, or parent, must submit a request for an extension, in writing, to the employee's immediate supervisor. This written request should be made as soon as the employee realizes that s/he will not be able to return at the expiration of the leave period. Nothing in this policy

limits (Humboldt County's) obligations of reasonable accommodation under the Americans with Disabilities Act.

ARTICLE 12 INJURY ON DUTY LEAVE

- 12.1 *Injury on Duty.* Any unit employee who suffers an injury while working during the course of his/her employment for the County shall be entitled to injury leave until said employee is able to return to work or is terminated in any manner and subject to any limitations imposed by this Article or State Law. Injury means a sudden and tangible happening of a traumatic nature, producing an immediate or prompt result and resulting from external force, including injuries to artificial members. Any injury sustained by an employee while engaging in an athletic or social event sponsored by the employer shall be deemed not to have arisen out of or in the course of employment unless the employee received remuneration for participating in such event. For purposes of this Article, coronary thrombosis, coronary occlusion, or any other ailment or disorder of the heart, and any death or disability ensuing therefrom, shall not be deemed to be an injury by accident sustained arising out of and in the course of the employment except for Sheriff employees who are covered by state statutes.
- 12.2 *Coordination of Benefits.* When an employee is eligible at the same time for benefits under Chapter 616 or 617 of the Nevada Revised Statutes and for sick leave or injury leave benefit, the amount of sick leave or injury leave benefit paid to said employee shall not exceed the differences between their normal salary and the amount of any benefit received, exclusive of payment of medical or hospital expenses under Chapter 616 or 617 of the Nevada Revised Statutes for that pay period. Any usage of such sick leave shall be deducted from the employee's sick leave balance.
- 12.3 *Injury on duty resulting in Death.* The County will provide up to seven thousand five hundred dollars (\$7,500) for the burial of an employee killed in the line of duty. Death in the line of duty is defined as any action, felonious or accidental, which claims the life of a Humboldt County Sheriff's Officer who is performing work related functions either on-duty or off-duty,

In the event an officer of the Humboldt County Sheriff's Officer is killed in the line of duty, the County will continue to pay the survivor the officer's salary until the first workers compensation of life insurance payment is received by the survivor, for a period not to exceed six (6) months, unless extended by the County commission.

ARTICLE 13 OTHER LEAVES

- 13.1 *Leave Due to Family Death.* Additional leave, not to exceed five (5) days per occurrence per employee, shall be allowed for a death of a member(s) of the immediate family of the employee. This additional leave is not cumulative.
- 13.1.1 Immediate family shall mean persons related by blood, whether whole or half, marriage or adoption in the following relationships: spouse, child, grandchild, parent, grandparent, sibling, or relative in the employee's household.
- 13.1.2 If the funeral is out of state, an employee shall have the option of using up to two (2) additional leave days contiguous with the family death leave which shall be charged to annual leave.

- 13.2 *Maternity/Paternity Leave.* An employee is entitled to use, as appropriate, accumulated sick leave, accumulated annual leave, accumulated compensatory time off, or leave without pay for adoption purposes or as maternity/paternity leave (regardless of the type of delivery or results of pregnancy) if the provisions below are met.
- 13.2.1 Maternity leave may be taken prior to the expected birth date of the child.
- 13.2.2 To utilize sick leave the employee must be incapacitated and unable to work because of illness or her pregnant condition. After birth or adoption, sick leave may be utilized if the child is ill under the provisions of 11.3 above.
- 13.2.3 If, after exhausting accumulated sick leave, an employee needs additional time off from work because she is incapacitated, accrued annual leave shall be granted. If additional time is required, leave without pay may be granted by the appointing authority if considered justifiable.
- 13.2.4 Pregnancy shall not jeopardize an employee's job or seniority, except for leave without pay limitations. The employee shall be responsible for reporting the pregnancy as soon as it is an established fact so that steps may be taken to protect the employee's health or modify her working conditions and in order that any necessary staffing adjustments may be planned.
- 13.2.5 The requirements of the Family Medical Leave Act will be followed.
- 13.3 *Interruption of Service.* Leave benefits which may be lost by an employee due to termination or interruption of County employment may be restored (repurchased) upon request by the Sheriff and authorization by the County Commissioners.
- 13.4 *Military Leave.* Any County employee who is a member of the National Guard or Military Reserve of the United States who is ordered to active military duty for training purposes is granted military leave of absence with full pay for a period not to exceed twenty-one (21) working days each year. This military leave of absence is in addition to any annual or sick leave to which the employee is entitled and does not involve any loss of efficiency rating, privileges or pay. During the time the employee is on military leave, the employee will receive her/his regular pay in addition to the amount of military pay.
- 13.5 *Military Leave Bank.*
- 13.5.1 *Definition:* Leave time that full-time employees who are members of the military reserves or Nevada National Guard may choose to bank for use during active military duty in order to remain in full pay status. The source of this leave time is annual leave hours above the carryover maximum, floating holiday, or sick leave hours accrued in excess of 480 hours.
- 13.5.2 *Eligibility:* A full-time employee who is a member of the organized reserve forces of any of the armed services of the United States or of the Nevada National Guard may carry forward all accrued annual leave hours in excess of 240 hours, floating holiday, or any sick leave hours accrued in excess of 480 hours to be retained as Military Bank leave. When the yearly carry-over adjustments to annual leave are made at the end of the pay period which includes December 31st of each year, the amount of leave in excess of the allowable carry-over amount shall be added to the eligible employee's Military Leave Bank if that employee has submitted a request to the County Manager during the conversion request window. Hours over the

normal carryover limits retained as Military Bank leave may be used only during active military duty and only after exhausting other available paid military leave. Military Bank leave may not be paid out or credited in any other form to the employee. It is either used during active military duty or it lapses upon termination or retirement.

13.5.3 Payment on Death: If an employee dies during active military duty, the employee's heirs of such deceased employee shall be paid an amount of money equal to the number of unused Military Bank leave hours donated to the employee's personal Military Leave Bank, multiplied by the hourly rate of such deceased employee.

13.5.4 Conversion Request Window: To convert qualifying leave hours under this provision, employees must submit a written request to the County Manager within the ninety (90) day window for conversion requests. The conversion request window will open on September 1st and close on December 1st. For requests for conversion to be eligible for conversion, all written requests must be received by the County Manager on or before December 1st, requests received after December 1st will not be considered timely and eligible for conversion under this provision.

13.5.5 Using Military Bank Leave: An eligible full-time employee whose excess annual leave has been retained as Military Bank leave may apply any such banked leave at the beginning of active military duty after exhausting other available paid military leave. Employees beginning active military duty should indicate their request to use Military Bank leave, and other accrued leave, on their Military Leave Worksheet form prescribed by the County. Military Bank leave may be applied to the period of absence due to active military duty in the same way that other accrued leave is applied. Regular payroll deductions will continue. An employee on active military duty may choose to retain all or part of his or her Military Bank leave. The balance will remain available for use only during future periods of active military duty.

13.5.6 Compensatory Leave: At the employee's option, all or part of compensatory leave balances held at the beginning of active military duty may be:

1. applied to the period of absence due to military service;
2. paid as allowed at the time of placement on leave without pay; and/or
3. retained until reinstatement from military leave without pay. Retained compensatory leave will be available for use in accordance with the agreement.

13.5.7 Leave Sharing: An employee who has more than 200 hours of annual leave accrued may donate annual leave to an employee or employees who are on military leave pursuant to the following restrictions;

1. The employee receiving the annual leave must have exhausted all of his/her available paid military leave and leave qualified for Military Bank use.
2. The employee giving the leave must do so in writing and in blocks of eight (8) hours and shall not exceed 80 hours in any fiscal year. The sick leave being given shall be indicated on a form provided by the County.
3. The granting of annual leave must be irrevocable.

4. If a donation is made by an employee at a different pay rate than the receiving employee, pursuant to NRS 245.210.4, the donated time shall be converted into money at the hourly of the donor and the money shall then be converted into annual leave at the hourly rate of salary of the recipient.
5. The total hours donated to an employee shall not exceed the number of hours necessary to avoid a loss in pay between the time the employee exhausts his/her paid leave.
6. Retiring and Voluntarily Separating employees may donate unpaid annual leave hours to the general military leave bank so long as the donation does not cause the bank to exceed 2000 hours.

13.6 *Leave of Absence Without Pay.* Any unit employee, upon written application to the Sheriff, may be granted leave of absence without pay, subject to approval and authorization by the Board of Commissioners and the Sheriff. Such leave shall not exceed one (1) year.

13.7.1 *Court/Jury Duty.* Employees will receive their regular pay while involuntarily serving as a juror, or as a witness in any matter directly related to his/her County employment. Annual leave will not be affected while serving as a juror or a witness as described above. If the employee or official receives a fee for such service performed during paid working hours, the fee must be turned over to the County Treasurer. However, the employee or official may retain any travel or expense reimbursement. Employees who are witnesses or litigants in cases not resulting from their official duties must make arrangements with their supervisor and account for their absence with annual leave, compensatory time off, or approved Leave Without Pay.

ARTICLE 14 HOLIDAYS

14.1 *Holidays Enumerated.* Pursuant to NRS 236.015 the following days are declared to be legal holidays for County government offices:

Independence Day	Labor Day
Nevada Day	Veterans Day
Thanksgiving Day	Day after Thanksgiving Day
Christmas Day	New Year's Day
Martin Luther King's Birthday	President's Day
Memorial Day	

14.2 *Observance of Legal Holidays.* All County offices close on the above listed legal holidays. If January 1, July 4, November 11, or December 25 falls on a Saturday, the Friday before is observed as the legal holiday. If any of such days falls on a Sunday, the Monday after is observed as the legal holiday. Holidays are recognized as eight (8) hours in length, regardless of work schedule. For employees on schedules providing 24-hour coverage, a holiday shall be recognized as the actual legal holiday, not the day observed by persons working a five- day, forty-hour week on a Monday through Friday schedule.

14.3 *Floating Holiday.* In addition to the holidays listed above, employees who have completed one full year of County employment will receive one eight (8) hour floating holiday per calendar year. Such holiday must be used within the calendar year or it will be lost. An

employee must schedule the use of the floating holiday with their immediate supervisor in the same manner as annual leave and receive approval prior to its usage.

14.3.1 Upon voluntary termination from County employment, a maximum of eight (8) hours of unused floating holiday time will be paid off at the employee's regular rate of pay.

14.4 *Holidays Worked.* The employee shall be compensated two and one-half times (2 ½) times the normal rate of pay for the first eight hours worked. Those hours worked in excess of eight hours shall be paid at the normal rate of pay.

14.5 *Holidays Not Worked.* A full-time employee who is eligible for holiday pay but does not work on that holiday shall be credited with eight hours of Holiday Pay.

ARTICLE 15 HOURS

15.1 *Work Hours.* Except in emergencies, the standard work week of full-time unit employees shall normally consist of five (5) days of eight (8) hours each, exclusive of lunch hour. Each employee shall be assigned regular starting and ending times, which shall not be changed without prior notice. Should an employee be required to work during his/her lunch hour, the length of such interruption shall be counted as time worked unless other arrangements are made with his/her supervisor.

15.1.1 *Alternative Work Schedules.* The Sheriff may, at his discretion, adopt alternative work schedules for employees in a work unit. The provisions of this section shall not be construed to limit the Sheriff's authority to deny a request or make other changes in scheduling for the good of the County.

15.2 *Rest Periods.* When practical, employees shall be granted a fifteen (15) minute rest period during each half of a work shift of four hours or longer. Such breaks shall not be taken within one (1) hour of the employees starting time, ending time, or meal break and shall not be accumulated or used to supplement meal breaks, arrive at work late or leave work early. Such rest periods shall be taken without loss of pay and the employee shall not be required to make up such time. Rest periods may, however, be allowed within one (1) hour of the employee's starting time, ending time, or meal break with the specific prior approval of the division commander of the need for each separate exception.

15.3 *Hours for Designated Positions.* Each normal work shift for certain designated positions shall span eight (8) hours which shall include briefing time, lunch period not to exceed thirty (30) minutes, and up to two fifteen (15) minute rest periods as workload allows. The Sheriff shall designate such positions as necessary.

15.4 *Shift Preferences.* Two weeks prior to the posting of a new schedule of shift assignments, employees may request shift assignment based on seniority. The Sheriff will consider the preferences of staff along with the needs of the Sheriff's Office and the qualifications of individual employees when preparing the new schedule. If an employee is assigned to the same shift for a third or successive shift change, the employee may request that the Sheriff provide reasons for the shift assignment. The Sheriff will respond prior to the implementation of the next shift schedule. An employee will receive seven (7) days' notice of a schedule change during a posted shift schedule.

ARTICLE 16 OVERTIME COMPENSATION

16.1 *Definitions:*

16.1.1 *Overtime:* Overtime shall constitute time worked as authorized and directed by management which exceeds forty (40) hours worked in a seven (7) day pay period for an employee designated to work a forty (40) hour pay period or eighty (80) hours worked in a fourteen (14) day pay period for an employee designated to work an eight (80) hour pay period. Overtime shall be paid in accordance with the FLSA. For example, where an employee is designated to work a forty (40) hour pay period, that employee shall be entitled to receive compensation at the overtime rate for any time worked in excess of forty (40) hours during his or her seven (7) day pay period. Alternatively, where an employee is designated to work an eighty (80) hour pay period, that employee shall be entitled to receive compensation at the overtime rate for any time worked in excess of eighty (80) hours in a fourteen (14) day pay period.

Hours worked as defined in Article 16.1.2 shall include the hours assigned to work and actually worked by the employee; hours of annual leave approved and used by an employee; compensatory time off approved and used by an employee; paid holidays; workers compensation disability leave; and regular hours worked in compliance with grant requirements. Sick leave approved and used is not credited toward hours worked for the purpose of overtime calculation.

Management will not cancel an employee's regularly scheduled straight time shift to avoid overtime compensation. This provision does not apply to regularly scheduled overtime.

16.1.2 *Hours Worked:* Those hours during which the employee is assigned to work and actually is at work and any time the employee is on approved annual leave, compensatory time off, paid holiday or Workers' Compensation disability leave.

16.2 *Designation of Pay Period Length:* The Sheriff shall have the authority and sole discretion to designate the length of the pay period; whether the period extends for forty (40) hours over a seven (7) day period or eighty (80) hours over a fourteen (14) day period. The Sheriff will designate the length of each employee and/or classification of employees pay period; whether forty (40) hours or eighty (80) ours as set out herein. The Sheriff shall have the authority to designate shifts based on an employee's designated pay period. Changes to the length of an employee's pay period may be designated at the sole discretion of the Sheriff; the length of a pay period hereinafter defined as the application of a forty (40) or eighty (80) hour pay period as set forth in this provision. However, no change to the length an employee's designated pay period may be made during the subject pay period; instead, all changes to the length of an employee's pay period must be designated by the Sheriff prior to the start of the subject pay period.

16.3 *Overtime Compensation.* Employees who have worked overtime shall be paid at the rate of one and one-half (1 1/2) time for all overtime hours worked.

16.4 *Compliance with FLSA.* Management shall make such changes in this article and any others, as well as in practice, in order to fully comply with the Fair Labor Standards Act (FLSA) and any implementing regulations thereto. The County shall notify the Association of proposed changes prior to implementation. Upon written request, the County shall meet with Association representatives to negotiate the proposed changes, however, nothing shall preclude the County from implementing changes to achieve compliance during the negotiating period.

- 16.5 *Accrual of Compensatory Time.* Employees may, upon approval of the Sheriff, accrue compensatory time off in-lieu of pay for overtime worked. All compensatory time off shall be accrued at the rate of one and one half (1½) hours of compensatory time off for each hour of overtime worked. No employee may accumulate more than eighty (80) hours compensatory time. When eighty (80) hours is reached the employee must use some of the accumulated time before accumulating any additional compensatory time.
- 16.6 *Cash Out of Accrued Compensatory Time Off.* With thirty (30) days' notice prior to the months of June and December of each year, an employee may submit a request to the Department that the cash value of all or part of accumulated CTO be paid to the employee. With thirty (30) days' notice prior to June, the County may, at its discretion, pay off all but thirty (30) hours of an employee's CTO bank. If an employee is selected for promotion, he or she must cash out any accrued compensatory time off prior to the start of his or her first shift in the promotional status/position.
- 16.7 *Special Response Team Training.* Effective July, 1, 2018, employees assigned to the Special Response Team (SRT) shall be compensated all hours of SRT training at their regular rate of pay during the assignment if the Team member participates in the monthly required training. SRT hours must be tracked and submitted to the County for compensation, only SRT hours actually spent on SRT training or travel to SRT training, and submitted to the County shall be paid. This compensation shall be considered full pay in lieu of any other overtime compensation for all SRT training conducted outside the employee's regularly assigned shift. All SRT training hours subject to this provision must be pre-approved in writing by the Sheriff or his/her designee.

In the event such suspension during a period of review is thought to be necessary, such suspension shall not cause loss of pay or other privileges attached to the position as an employee of the County unless later converted to a Disciplinary Leave Without

Pay. A Suspension with Pay does not comprise a form of discipline in and of itself unless it has been so designated in a particular case.

- 17.1.5 *Demotion.* A disciplinary demotion is a temporary or permanent reduction of an employee from a higher position or classification to a lower position or classification below that which was held by the employee on a regular basis.

Discharge shall be imposed by the Sheriff or designee, and shall be by written notice to the employee concerned. One copy of such notice shall be delivered to the employee concerned, and one copy of the appropriate form shall be placed in the employee's official personnel file in the County Manager's Office. Upon written request of the employee, a copy shall also be forwarded to the employee's Association.
- 17.2 *Classifications of Discipline.* Oral reprimands, written reprimands, suspensions with pay and suspensions without pay for sixteen hours (16) or fewer shall be considered Minor Disciplinary Actions. Suspensions without pay for more than sixteen hours (16), disciplinary demotions, and discharges shall be considered Severe Disciplinary Actions.
- 17.3 *Procedure for Imposing and Appealing Minor Disciplinary Actions.* Minor Disciplinary Actions may only be appealed by an employee who has successfully completed the initial hire probationary period for the current County employment. The following procedures shall apply exclusively to Minor Disciplinary Actions:
 - 17.3.1 *Notice of Action.* When a supervisor or manager believes it is necessary to impose a minor disciplinary action on an employee, the supervisor shall notify the employee in writing of his/her decision stating the reason for the action, the regulations or rules which have been violated, the specific action to be taken, and the effective date of the action.
 - 17.3.2 *Appeal of Minor Disciplinary Action.* Within five (5) days from receipt of the written notification, an employee who has received a written reprimand or short suspension without pay, but believes the discipline is unwarranted may appeal the action to Level 2 of the Grievance Procedure (Article 18) of this Agreement for final determination.
- 17.4 *Procedure for Imposing and Appealing Severe Disciplinary Actions.* Before taking action to discharge, demote, or suspend a non-probationary unit employee without pay for a period of three (3) days or longer, the Appointing Authority shall serve on the employee and, upon written request of the employee, the Association, either personally or by certified mail, a Notice of Proposed Action, which shall contain the following:
 - A. A statement of the action proposed to be taken.
 - B. A copy of the charges, including the acts of omissions and grounds upon which the action is based.
 - C. If it is claimed that the employee has violated a rule or regulation of the County or Sheriff's Office, a copy of said rule shall be included with the notice.
 - D. A statement that the employee may review and request copies of materials upon which the proposed action is based.

- E. A statement that the employee has two (2) working days to respond to the appointing authority either orally or in writing. If the employee chooses to reply orally, the employee is entitled to a meeting with the Appointing Authority or his/her designee.
- 17.4.1 *Response.* The employee upon whom a Notice of Proposed Action has been served shall have two (2) working days to respond or protest to the Appointing Authority either orally or in writing before the proposed action may be taken. Upon application and for good cause, the Appointing Authority may extend the time period to respond.
- 17.4.2 *Response Meeting.* If the employee chooses to respond orally, the employee shall be entitled to a personal meeting with the Appointing Authority or his/her designee. At such meeting, the employee may be accompanied by an attorney or Association representative.
- 17.4.3 *Review/Action.* After complying with the applicable requirements of sections above and having reviewed the employee response, if any, given pursuant to section 17.4.2, the Appointing Authority may order the discipline or discharge of the employee. Such order shall:
 - A. Be in writing,
 - B. State specifically the causes for the action,
 - C. State the effective date of such action, and
 - D. Be served on the employee and, upon written request of the employee, the Association, either personally or by certified mail.
- 17.4.4 *Protest.* A non-probationary employee may protest severe disciplinary action, which protest shall be considered an appeal and processed in accordance with Level 3 of Article 18, Grievance Procedure and, thereafter if necessary, through Article 19, Arbitration.
- 17.5 *Sole Remedy.* The procedures provided herein are in lieu of any remedy provided by NRS 245.065 for appealing and resolving protests of disciplinary action.

ARTICLE 18 GRIEVANCE PROCEDURES

- 18.1 *Definitions:*
 - 18.1.1 *Grievance.* A grievance is a claimed violation, misapplication, and misinterpretation of a specific provision of this Agreement which adversely affects the grievant. The exercise or lack of exercise of Employer Rights (Article 5) shall not be grievable.
 - 18.1.2 *Grievant.* A grievant is an employee in the unit who is filing a grievance as defined above. Alleged violations, misapplications or misinterpretations which affect more than one employee in a substantially similar manner may be consolidated at the discretion of management or the Association as a group grievance and shall thereafter be represented by a single grievant.
 - 18.1.3 *Day.* Day shall mean a day in which the County’s main administrative office is open for business.
- 18.2 *Process.*
 - 18.2.1 *Informal Resolution.* Within five (5) days from the event giving rise to a grievance or from the date the employee could reasonably have been expected to have had knowledge of such event, the grievant shall orally discuss his/her grievance with

his/her supervisor. A supervisor shall have three (3) days to give an answer to the employee.

18.2.2 *Formal Levels.*

Level 1: If a grievant is not satisfied with the resolution proposed at the informal level, the grievant may, within five (5) days of such receipt of such answer, file a formal written grievance with the next highest level in the chain of command on a County Grievance Form containing a statement describing the grievance, the section of this Agreement allegedly violated, and remedy requested. The next highest level in the chain of command shall, within five (5) days, have a meeting with the grievant and within five (5) days thereafter, give a written answer to the grievant on the form provided.

Level 2: If the grievant is not satisfied with the written answer at Level 1, the grievant may, within ten (10) days from the receipt of such answer, file a written appeal to the Sheriff. Within ten (10) days of receipt of the written appeal, the Sheriff or his/her designee shall investigate the grievance which may include a meeting with the concerned parties and, thereafter give written answer to the grievant within ten (10) days.

Level 3: If the grievant is not satisfied with the written answer from Level 2, the grievant may, within ten (10) days from the receipt of such answer, file a written appeal to the County Manager. Within fifteen (15) days of receipt of the written appeal, the County Manager or his/her designee, shall investigate the grievance which may include a meeting with the concerned parties, and thereafter give written answer to the grievant within five (5) days, which answer shall be final and binding unless, for matters subject to arbitration, within ten (10) days, the Association notifies the County Manager of its intention to appeal the matter to arbitration.

18.3 *General Provisions.*

18.3.1 If a grievant fails to carry his/her grievance forward to the next level within the prescribed time period, the grievance shall be considered withdrawn with prejudice.

18.3.2 If a supervisor or manager fails to respond with an answer within the given time period, the grievant may appeal his/her grievance to the next higher level as if a negative response had been received on the final day allowed for a management response.

18.3.3 The grievant may be represented by a person of his/her choice at any formal level of this procedure.

18.3.4 Time limits and formal levels may be waived by mutual written consent of the parties.

18.3.5 Proof of service shall be accomplished by certified mail or personal service.

18.3.6 The Association shall receive a copy of all grievances filed at the Sheriff's level of this grievance procedure, where such grievance is not being processed by the Association.

18.3.7 The making or filing of a grievance shall not prevent the County, the Sheriff or supervisor or other authorized person from taking action deemed appropriate, nor shall it have the effect of suspending action previously taken even though the action may involve or be a part of the subject matter of the grievance.

ARTICLE 19 ARBITRATION

- 19.1 *Designation.* The parties will attempt to agree upon a professional neutral to serve as an Arbitrator. In the event agreement cannot be reached to select an Arbitrator, the parties agree to solicit a list of seven (7) professional neutrals from the Federal Mediation and Conciliation Service (FMCS) or the American Arbitration Association (AAA) and alternately strike names from such list until one name remains or follow the procedure required by the agency supplying the list. That remaining person so selected shall serve as the Arbitrator. The party to strike first shall be determined by lot.
- 19.2 *Matters Subject to Arbitration Procedure.* Proposals to create, add to, or change this written agreement or addenda supplementary hereto shall not be grievable nor submitted to an Arbitrator and no proposal to modify, amend, or terminate a negotiated agreement, nor any matter or subject arising out of or in connection with such proposal, may be referred to this process.
- 19.3 *Rules of Evidence.* Strict rules of evidence shall not apply. However, rules of evidence and procedures for conduct of hearings shall be guided by the standards in the American Arbitration Association Voluntary Arbitration Rules.
- 19.4 *Privacy of Hearings.* All hearings held by an Arbitrator shall be closed sessions and no news releases shall be made concerning progress of the hearings.
- 19.5 *Authority of Arbitrator.* Decision of an Arbitrator on matters properly before him/her shall be final and binding on the parties. No Arbitrator shall entertain, hear, decide, or make recommendations on any dispute unless such dispute involves an eligible employee in this represented unit and unless such dispute falls within the definition of a grievance as set forth in Article 18, Grievance Procedure, or is an appeal from severe disciplinary action, and has been processed in accordance with all provisions thereof and herein. The Arbitrator's authority shall be limited only to the application and interpretation of the provisions of this negotiated agreement.
- 19.6 *Costs.* The fees and expenses of the Arbitrator and of a court reporter, if used, shall be shared equally by the employee organization; the grievant if a grievant is not represented by the Association, and the County. Each party, however, shall bear the cost of its own presentation including preparation and post-hearing briefs, if any, provided, however, if either party rejects the Arbitrator's decision as evidenced by overturning it or seeking relief in Court to have it vacated or modified, that party shall assume full responsibility for all jointly incurred costs of the Arbitrator process. For the purposes of this section the parties shall be considered as either: The County and the Employees Association or, if a grievant is not represented by the Association, the County and the grievant(s).
- 19.7 *Effect of Decision.* Decisions of an Arbitrator on grievance matters properly before him/her shall be advisory to the County Board of Commissioners. Within sixty (60) days of receipt of the Arbitrator's recommendation, the Board shall make a final decision which in the Board's discretion it deems proper after review of the hearing officer's report or conducting further investigation as it sees fit. The recommendation of the Arbitrator shall remain in effect unless rejected by a majority of the Board. Should the Board take no action on the Arbitrator's recommendation within sixty (60) days, the Arbitrator's recommendation shall become binding. Notwithstanding this section, decisions of an Arbitrator in review of Severe Disciplinary Actions shall be final and binding on the parties.

ARTICLE 20 LAYOFF PROCEDURE

- 20.1 *Positions to be Eliminated.* If the County determines the need for a reduction in its work force, written notice of not less than two (2) weeks shall be provided to regular employees to be laid off. The Sheriff will determine the positions to be eliminated and the employees to be laid off within each affected job class.
- 20.2 *Order of Layoff.*
- 20.2.1 *Seniority.* Initially the Sheriff shall consider employees for layoff in the inverse order of seniority. Seniority shall be determined on the basis of uninterrupted employment with the Sheriff's Office in the employee's current class.
- 20.2.2 *Qualifications.* When selecting which employee will be laid off, the Sheriff will review the qualifications of the employee with the least seniority in the affected job class. If the Sheriff finds an employee with less seniority has qualifications which are needed by the Sheriff's Office and those qualifications are equal to or greater than those of an employee with greater seniority, and the documented performance of the employee with lesser seniority is better than that of the more senior employee the County may layoff the employee with the higher seniority.
- 20.2.3 *Qualifications to be Considered.* Qualifications to be considered in determining exceptions to seniority order shall include knowledge, skill, ability, and certificates required for job functions to be assigned to the remaining staff, as well as previous experience in performing the essential functions and job performance. Job performance shall be determined on the basis of the employee's record of job performance as documented in the employee's personnel file.
- 20.2.4 *Ties.* After consideration of seniority within class, qualifications, and performance, any ties shall be broken by total seniority within the Sheriff's Office.
- 20.2.5 *Bumping.* An employee who was initially hired by the Sheriff into a class with a lower rank than his/her current class shall have the right to bump an employee in such lower class if the employee has more seniority in the lower class. Such bumping rights may be exercised subject to the Sheriff's review of performance and qualifications outlined above.
- 20.3 *Appeal Procedure:*
- 20.3.1 *Notice of Appeal:* In the event that an employee who has been laid off out of seniority order believes the decision based upon performance and/or qualifications is incorrect, the employee may request that the Association appeal the Sheriff's determination. If the Association finds there is good reason to believe that the Sheriff has erred in his decision, it may appeal through the process set forth in this Article. Such appeal shall be filed within five (5) working days of delivery of the layoff notice to the employee.
- 20.3.2 *Appeal Review Committee:* When an appeal is filed, the Association shall identify two (2) persons to serve on a review committee at the time of the appeal. The Sheriff shall then appoint two (2) persons to the committee. Each of the persons appointed to the committee shall be familiar with the work of the Sheriff's Office and of the job class from which layoff is to be made. The committee shall meet within five (5) days of delivery of the notice of appeal to the County. It shall review the basis for the Sheriff's layoff decision and the reasons the employee believes the decision is in error. The committee shall then determine whether the

Sheriff's decision was reasonable and on that basis either confirm or reject the Sheriff's decision.

20.3.3 *Mediator*. If the committee cannot reach agreement regarding the Sheriff's decision regarding order of layoff, it shall within three (3) days of its initial meeting, request the participation of a federal mediator. The services of the mediator will be jointly requested by the County and the Association on an urgent basis. The mediator shall seek to achieve a consensus decision among the committee members. If none is reached the mediator shall become a voting member of the committee.

20.3.4 *Binding Determination*. The determination of the committee regarding the appropriate order of layoff shall be final and binding and may not be grieved or appealed.

20.4. *Recall Rights*. Laid off employees will have a right to return to a vacancy in the same class and department from which they were laid off. Recall shall be in inverse order of layoff.

20.4.1 *Recall List*. Employees shall remain on the recall list for one year following the date of layoff provided, however, laid off employees shall be removed from the recall list if:

- A. They accept recall to a position in a class at the same salary range as the position from which they were laid off, or
- B. They decline appointment to a position in the Sheriff's Office and in a class at the same salary range as the position from which their lay off occurred, or
- C. They fail to report for duty within fifteen (15) calendar days of mailing of notice of recall to County employment.

20.4.2 *Recall Notice*: Notice of recall or available position may be made in person or by U.S. Mail, return receipt requested. It is the responsibility of each laid off employee to notify the Sheriff of his/her current address.

ARTICLE 21 PEACEFUL PERFORMANCE

21.1 *Prohibitions*. The parties to this Agreement recognize and acknowledge that the services performed by the County employees covered by this Agreement are essential to the public health, safety, and welfare of the residents of the County of Humboldt. Association agrees that under no circumstances will the Association recommend, encourage, cause or permit its members to initiate, participate in, nor will any member of the bargaining unit take part in, any strike, sit-down, stay-in, sick-out, slow-down or picketing in connection with a labor dispute (hereinafter collectively referred to as work-stoppage), in any office or department of the County, nor to curtail any work or restrict any production or interfere with any operation of the County. In the event of any such work-stoppage by any member of the bargaining unit, the County shall not be required to negotiate on the merits of any disputes which may have given rise to such work-stoppage until said work-stoppage has ceased.

21.2 *Responsibilities of Association*. In the event of any work-stoppage, during the term of this Agreement, whether by the Association or by any member of the bargaining unit, the Association by its officers, shall immediately declare in writing and publicize that such work-stoppage is in violation of law and this Agreement and is unauthorized, and shall further direct its members in writing to cease the said conduct and resume work. Copies of

such written notice shall be served upon the County. In the event of any work stoppage the Association promptly and in good faith performs the obligations of this paragraph, and providing the Association had not otherwise authorized, permitted or encouraged such work-stoppage, the Association shall not be liable for any damages caused by the violation of this provision. However, the County shall have the right to discipline, to include discharge, any employee who instigates, participates in, or gives leadership to, any work-stoppage activity herein prohibited, and the County shall have the right to seek full legal redress, including damages, as against any such employee.

ARTICLE 22 FULL UNDERSTANDING, MODIFICATION AND WAIVER

- 22.1 *Full Understanding.* It is intended that this Agreement sets forth the full and entire understanding of the parties regarding the matters set forth herein and all other topics subject to bargaining, and therefore any other prior or existing understanding or agreement by the parties, whether formal or informal, written or unwritten regarding such matters are hereby superseded or terminated in their entirety.
- 22.2 *No Interim Bargaining.* It is agreed and understood that during the negotiations which culminated in this Agreement, each party enjoyed and exercised without restraint, except as provided by law, the right and opportunity to make demands and proposals or counterproposals with respect to any matter subject to bargaining and that the understandings and agreements arrived at after the exercise of that right are set forth in this Agreement. The parties agree, therefore, that the other shall not be required to negotiate with respect to any subject or matter, whether referred to or not in this Agreement.
- 22.3 *Modification.* Any agreement, alteration, understanding, waiver or modification of any of the terms or provisions contained in this Agreement shall not be binding on the parties unless made and signed in writing by all of the parties to this Agreement, and if required, approved and implemented by the Sheriff and/or the Board of County Commissioners.
- 22.4 *Waiver.* The waiver of any breach, term or condition of this Agreement by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

ARTICLE 23 SAVINGS

- 23.1 *Saving Clause.* If any provisions of this Agreement are held to be contrary to law by a court of competent jurisdiction, such provisions will not be deemed valid and subsisting except to the extent permitted by law, but all other provisions will continue in full force and effect.

ARTICLE 24 TERM OF AGREEMENT

24.1 *Term.* The County and the Association agree that the term of this Agreement shall commence as of July 1, 2020 and expires at midnight on June 30, 2021. Unless otherwise noted herein, any changes caused by the approval of this Agreement shall be prospective and implemented upon formal adoption by both parties and retroactive to the pay period including July 1, 2020.
